GOMPERS RETURNED TO PRESIDENCY

VETERAN LEADER EASILY DEFEATS JOHN L. LEWIS

Election Marked by Scenes Resembling Political Convention—Gompers Was Nearly Moved to Tears as He Thanked Convention—Lewis Says No Enmity in His Mind

(By The Associated Press)

DENVER, Colo., June 25.—President Gompers, America's veteran labor leader—overwhelmingly defeating his first serious opposition since 1894—today was returned to office with his entire administration for another year by the American Federation of Labor.

This sweeping victory, the labor chief said tonight at the close of the federation's forty-first annual convention, demonstrated that the American Trade Union movement "will not submit to dictation from the forces of corruption or greed," "neither the Hearsts nor the Garys can chart our course or select our leaders.

"Our movement is united, it is prepared to be aggressive in defense of the rights of the toilers. It will not be swerved from its course. It will be a sad day for the aspirations of the working people of our land when corrupt and intriguing interests can either divide our movement, change our course or destroy its leadership. The vote today has demonstrated to the world that we have not yet come upon that day.

"The whole work of the convention, the resolution and declarations adopted the policies indicated mean for the future a progressive, militant movement following upon a progressive, fruitful and militant past.

Proud of Labor Movement.

"For myself I may say that the work of the convention and the result of the election fill me with satisfaction, gratitude and pride not for myself but for our movement. I am proud of our movement and my life shall be given to it in the future as it has been for these many years. We are in serious times, but we face them undaunted and with confidence and courage."

The labor chief's forces made a clean sweep from the beginning when President Gompers was returned to the presidency for the fortieth time by overwhelming John L. Lewis, president of the United Mine Workers by a vote of 25,022 to 12,324.

The vote was taken amid scenes of wild enthusiasm rivaling those of national political conventions. The galleries were packed with spectators.

The convention floor was overflowing with delegates and their friends. Cheers and applause swept the auditorium at every vote.

Several attempts by the Gompers supporters to stampede the delegates for the veteran leader during the demonstrations failed, as scores of delegates withheld their enthusiasm and remained silently in their seats, unmoved by the urgings of fellow delegates.

This was the first time that Gompers had been seriously opposed since 1834, when he was defeated by John McBride, a mine worker at a convention in this city, but he was returned to office the following year.

When his victory was announced the labor leader, who is now 71 years old could scarcely control his emotions and was on the verge of tears when he took his place at the rostrum to thank the delegates for their support and confidence and declaring that "my election will bring no comfort to Gary and Hearst."

Lewis Accepts Verdict

Lewis, of the mine workers arose from his place in the rear of the hall and declared in a stirring address that he "accepted the verdict of the American Federation of Labor without the slightest tinge of enmity in my mind," adding:

"I have used no dishonorable methods in my efforts to realize my aspiration for the presidency. I have not been the candidate of William Randolph Heart. I do not know the man.

"I stand more than ever before with the great trade union movement of America and my voice and ability shall always be given to making the American movement greater than ever before."

Lewis was given a tremendous ovation as he concluded his speech.

The official roll call showed that only five organizations voted soldily for the mine workers leader. They were the United Brotherhood of Carpenters and Joiners, International Association of Mechinists, Mine, Mill and Smelter Workers, Tailors and the Draftsmen union.

Mine Workers Split.

The mine workers delegation split their vote—Frank Farrington, president of the Illinois dis-

PRISONERS OF REFORMATORY CREATE RIOT

Officials Say Was to Aid in Escape of 25 Inmates

(By The Associated Press)

MARYSVILLE, Ohio, June 25.—A number of prisoners and attendants at the Ohio Reformatory for women here were stabbed and beaten this afternoon as a result of a riot designed, according to officials of the institution, to effect the escape of 25 prisoners after killing the superintendents and three employes.

Sheriff Collier and a deputy were called to aid the reformatory officials in subduing the rioters, ten of whom escaped but were later apprehended in a woods near the institution.

Wray Croy, Fay Coder and Engineer Clyde Eckenrode, who with Superintendent Mrs. L. M. Mittendorf, were said to have been marked to die in the plan to escape, were severely cut with butcher knives in the hands of the inmates. Mrs. Mittendorf was uninjured.

The trouble is said to have started over inmates obtaining tobacco, one of them being punished for the offense.

Lena Prugh, an inmate after stabbing Eckenrode in the arm was felled by the engineer with a hammer. Regaining the floor, the Prugh woman then made for Superintendent Mittendorf who felled her with a mattock handle rendering her unconscious.

The Prugh woman and Bertha Slagle, another inmate are in the institution hospital. Croy and Coder were stabbed in the shoulders. According to officials Superintendent Mittendorf and the three employes were to have been murdered at one o'clock tonight.

THE FAIRBANKS ARE "VERY HAPPY"

Los Angeles, Cal., June 25.—Mary Pickford, the validity of whose divorce from Owen Moore was upheld today at Minden, Nev., was informed of the decision but sent word she preferred to have her husband, Douglas Fairbanks, speak concerning the matter. Miss Pickford was married to Mr. Fairbanks shortly after the entry of the Nevada decree.

"The report concerning the outcome of the litigation in Nevada is very gratifying," said Mr. Fairbanks. "We deem it best not to comment at length but the ruling makes us very, very happy."

WILL ASK SUPREME COURT FOR DECISION

Minden, Nev., June 25.—The state supreme court is to be asked to pass upon the divorce of Mary Pickford and Owen Moore, which was sustained today in a decision by District Judge Frank C. Langan. Attorney General Leonard H. Fowler announced he would appeal and filed a list of exceptions to Judge Langan's decision preliminary to that action.

HOOVER SAYS HE REALIZES PLIGHT OF THE FARMERS

Is Mobilizing Private Credits to Prevent Liquidation

(By The Associated Press)

WASHINGTON, June 25.—While expressing disapproval of the Norris bill to create a one-hundred million dollar corporation to aid in farm exports, Secretary Hoover told a senate committee today that the administration recognized the serious economic plight of American farmers and was engaged in mobilizing private banking credits to prevent the forced liquidation, of farm commodities, particularly cotton and sugar.

"Let us first attempt," he said, "to prevent forced liquidation of these commodities by mobilizing private capital as has been done already in the cattle industry and then if we fail, there will be time enough to get the government to take up the burden directly."

Pointing out that the United States had sent to Europe a billion dollars worth of foodstuffs in the last eleven months, Mr. Hoover said it "was evident that the governments and peoples there find money for foods but conceded that the situation as to cotton was worse," because they tend to reduce their normal requirements of textiles.

European Securities.

"One wishes to make many mental reservations upon the possible recuperation in Europe," Mr. Hoover said, "but the securities possible to obtain cannot be classed as A1."

Chairman Norris referred to the administration bill which congress had been asked to pass empowering general steps to fund all of the war debts which the United States holds.

"The object of that bill is to get these loans in some sort of shape for handling," Mr. Hoover said, and when pressed for a statement as to whether the treasury intended to permit exchange of German reparations securities, he said.

"Well it is quite possible that the treasury could get better securities by exchanging some of the securities of new nations for German bonds."

"England owes four billion," Senator Norris said. "Do you mean to say we would be asked to take German bonds against this debt and that they would be better?"

"No," Mr. Hoover responded. "I said exchanges might be made which would give us better security. No one proposes that the United States should exchange good securities for less good, so far as I know."

M'GANNON FOUND GUILTY OF PERJURY

CLEVELAND, O., June 25.—William H. McGannon, former chief justice of the municipal court was found guilty of perjury tonight by the jury which heard his case in common pleas Judge Florence E. Allen's court. The penalty is from one to ten years in the Ohio penitentiary. McGannon was charged with giving perjured testimony in his trials for the murder of Harold Kagy of which he was acquitted.

ADOPT REPORT OF EXECUTIVE COMMITTEE

Riga, June 25.J(By The Associated Press.)—The report of the executive committee of the third Internationale, prepared in advance by the radical element has been adovted by the congress of the internationale, according to a Moscow dispatch under date of June 24.

Advices state that Lenine and Trotzky have agreed to a compromise under which Trotzky will conduct the internationale's world movement while Lenine will superintend and test the new policies in Russia.

INSANE WOMAN [redacted] STANDS IN FLAMES

Philadelphia, June 25.—Lena Frank, 30, confined to the insane department of the Philadelphia hospital, today built a fire on the floor of her room, and stood in the flames. When theh door was broken down she was so severely burned that she died in a short time.

ADMITTED SHE HAD NO CLAIM

Clinton, Ind., June 25.—Mrs. Emma R. Burkett of Hillsdale, Ind., admitted she had no claim on the Theodore Roosevelt estate while confined in the Jerseyville, Ill., jail in 1919, according to a telephone call here purporting to come from P. M. Hamilton, prosecuting attorney at that place.

Brief Sketch of Veteran Leader

DENVER, June 5.—Thehistory of Samuel Gompers is largely a history of organized labor. Since 1881 with the exception of one term he has been president of the American Federation of Labor which he was largely instrumental in organizing.

Fiends of the veteran labor leader say he is the most active man in the United States despite his 71 years. He traveled on average of 100 miles a day during 1920, one trip being made by airplane to keep an engagement. Hardly a meal is eaten with out a conference going on simultaneously and at times, he has dictated statements as he ate.

During the last year, he has written four books and fifty pamphlets. Another book is in the hands of his publishers.

Thruout the war, he was active in preventing strikes and assuring labor co-operation in war work. Twice he visted Europe, making speeches in behalf of the war, and participating in the peace conference. The slogan, "no peace without victory," is credited to Mr. Gompers. He was chairman of the labor committee of the national council of defense during the war, president of the American alliance for labor and democracy and chairman of the commission on international labor at the peace conference.

In addition to his administrative work, as president, Mr. Gompers edits the American Federationist, a monthly publication, directs labor's efforts to obtain favorable legislation at Washington and keeps in touch with labor activities thruout the country.

With the exception of this year, and in 1894, when John McBride, a mine worker, was elected president, Mr. Gompers has had virtually no opposition for re-election.

He married Sophia Julian of New York, early in life. After her death he married Mrs. Gertrude Gleaves Neuscheler of Zanesville, O., in April of this year.

Born in England, Mr. Gompers came to America when 13 years old, working as a cigar maker, he organized an international cigar makers' union in 1864, and was secretary and president for six years. It was in connection with this work that he became interested in the larger movement which resulted in the organization of the federation.

FOREST HIGGINS IS ON TRIAL FOR MURDER OF GIRL

Jurymen Who Served on Coroner's Jury Outline Testimony

(By The Associated Press)

CORUNA, Mich., June 25.—Members of the corner's jury who investigated the death of Lucy Ittum, outlined their findings here this afternoon at the trial of Forest Higgins, alleged slayer of the girl. The salient feature of the jurymen's testimony was introduced by Elbern Parson, an attorney who stated he found the cork from the bottle containing poison swallowed by Miss Ittum, rolled up in paper near her body.

The same paper apparently had been used to wrap the bottle, he testified. Parsons testified he noticed three marks on Miss Ittum's throat but could not say if they were finger prints or acid burns. Other members of the jury testified the marks looked as tho they were from acid.

Witnesses were questioned concerning statements of Deputy Sheriffs who reported finding marks resembling pin pricks on Miss Ittum's body. None of the jurymen had noticed these marks however, they testified. The body of Miss Ittum who was Higgin's sweetheart was found near the adjoining farms of the Higgins and Ittum families April 1, last. Higgins is charged with killing the girl when he learned of her delicate condition.

LIVESTOCK TRADERS CONVENTION CLOSES

Officers Are Elected For Ensuing Year—Oppose Federal Regulation of Business by Commissions and Bureaus.

(By The Associated Press)

St. Louis, Mo., June 25.—The two day convention over the national traders livestock exchange was brought to a close today following the election of officers and the selection of Sioux City, Ia., as next year's convention place. E. P. Reilly of that city was chosen president and W. D. Vail also of Sioux City was elected secretary.

A resolution opposing federal regulation of business by commissions or bureaus was adopted. The question of freight rates was referred to a committee of nine appointed to seek reductions. High rates were unanimously denounced as a barrier to revival of business.

FARMER BURNS HIMELF TO DEATH.

Kalamazoo, June 25.—Making a funeral pyre of a kerosene soaked brush pile, Henry Papper, 70 year old farmer, after saturating his clothing with oil, crawled into the pile and lighting it burned himself to death at his home at West Oshtemo, near here today. His body was found ten minutes later by his aged wife who saw the smoke and believed the barn was afire. Papper had been despondent because of ill health.

WINS WOMEN'S MISSOURI GOLF TITLE.

Kansas City, June 25.—Miss Miriam Burns of the Milburn Golf club, Kansas City, today won the women's state golf title, defeating Miss Carolyn Lee, thrice state champion, four and three.

BAPTISTS ADVOCATE SUPPRESSION OF THE MODERN DANCE HALL

Recommend United Strike on Moving Pictures by Churches

(By The Associated Press)

DES MOINES, Iowa, June 25. Suppression of dance halls as a menace to the moral life of the nation and a "united strike on moving pictures by church people" was advocated by the Social Service Committee in its annual report to the Northern Baptist convention here today.

A far reaching program of social reform, including national as well as international relations was outlined by the committee.

Chief among the recommendations provide that there be a continuance of the temperance, education and an amendment to the Volstead act to make easy the enforcement of the law; that there be vigorous supervision of dance halls and moving pictures, and, if necessary, the elimination of the dance halls; that the Social Service work among the Baptist churches be extended to amusement features in the church may be included to keep the young people from following the degenerate trend.

That there be a reduction of the crushing burden of taxation included in the program of armaments and the declaration of a naval holiday between the United States and Japan and that there be formal action by the United States to limit the sale of liquor by American citizens in China and other non-Christian countries.

GIVE AVERAGE COAL PRICES

WASHINGTON, June 25.—The average retail price of anthracite stove coal April 15 was $14.872 as compared with $15.631 March 15 and $12.588 January 15, 1920, according to labor department figures today. Prices of chesnut coal average $14.859 April 15, $15.661 March 15 and $12.768 January 15, 1921, and on bituminous coal $10.577 April 15, $11.147 March 15, and $8.808 January 15, 1920.

In Chicago the average price of anthracite stove coal April 15, was $14.690, March 15 $15.280, and on January 15, 1920, $12.59.

WILL TAKE OFF AIR MAIL SERVICE

Chicago, June 25.—Sub-divisions of the air mail service reaching from Chicago to Minneapolis and St. Louis will cease to operate on June 30. C. A. Parker, superintendent of the Cleveland-Omaha divisions with headquarters, announced today. The action was taken Mr. Parker said, because congress failed to appropriate funds sufficient to maintain the sub-divisions. The ships and pilots used on the two routes will be put into service across the continent.

ILLINOIS FARMERS VISIT MADISON, WIS.

Madison, Wis., June 25.—More than 100 Kane county, Illinois farmers, members of the farm bureau visited Madison today on an inspection trip of the university. They were shown thru the agricultural college this morning when Dean Russell addressed the farmers.

Return trip will be made Sunday over Wisconsin roads which the travelers said were far ahead of those they found in Illinois.

PREMIER LLOYD GEORGE PLEADS FOR CONFERENCE

Asks Craig and De-Valera to Meet Him in Conference

(By The Associated Press)

LONDON, June 25.—Premier Lloyd George has sent a letter to both Eamonn De Valera, the Irish Republican leader and Sir James Craig, the Ulster premier declaring the British government to be deeply anxious that King George's appeal for reconciliation in Ireland shall not have been in vain. The letter appeals for a conference between Representatives of the government and southern and northern Ireland so that the opportunity for a settlement in Ireland shall not be lost.

The letter which is dated June 24 is couched in identical terms to both Mr. DeValera and Sir James, except for necessary verbal changes.

Plea for Conference.

"The British government," it says, "is deeply anxious that the king's appeal for reconciliation shall not have been made in vain. Rather than allow another opportunity for a settlement in Ireland to be cast aside, they feel it incumbent on them to make a final appeal for a conference between themselves and representatives of Southern and Northern Ireland

"I write therefore to convey the following inviation to you as the chosen leader of the great majority in Southern Ireland to Sir James Craig, premier of Northern Ireland:

"First, that you should attend a conference here in London in company with Sir James Craig, to explore to the utmost the possibility of a settlement, second that you should bring with you for that purpose any colleagues whom you may select. The government will, of course, give safe conduct to all who may be chosen to participate in the conference.

"We make this invitation with the fervent desire to end the ruinous conflict which for centuries has divided Ireland and embittered the relations of the peoples of these two islands, who ought to live in neighborly harmony with each other and whose co-operation would mean so much, not only to the empire, but to humanity. We wish that no endeavor should be lacking on our part to release the king's prayer and we ask you to meet us as we will meet you in the spirit of conciliation for which His Majesty appealed."

NEED PROFESSIONAL EDUCATION OF BLIND

Workers For Blind Discuss Matter at Iowa Meeting

(By The Associated Press)

Vinton, Iowa, June 25.—Further need of professional education for the blind was one of the chief subjects taken up today by American association of workers for the blind in convention at the Iowa College for the Blind here.

States are providing higher educational opportunities for blind people said Dr. O. H. Burritt, principal of the Penn Institute for Instruction of the Blind, adding that "people of requisite character and ability are entitled to minimize the handicap and equalize their opportunities by such training.

"Failure to provide financial assistance or a thoro-going preparation for a profession is one reason for the blind's occasional failure," he said.

"Research work in the last five years in ten residential schools for the blind to warrant these general conclusions:

"About ten per cent of the students enrolled in the schools for the blind probably are feebleminded thirty-five percent entirely backward or dull; 40 per cent of average intelligence, compared with sighted students, and fifteen per cent of superior ability."

MURDERER KILLS SELF.

Clarinda, Ia., June 25.—Word has been received here that Dr. Dosch, who killed E. D. Dell, an employe of the state insane asylum here a year ago had committed suicide at the insane ward at the Fort Madison prison. The body was taken to Stuart, his old home for burial.

WOODROW WILSON APPEARS IN PERSON.

Washington, June 25.—Woodrow Wilson appeared in person today in the chambers of Chief Justice McCoy of the District of Columbia supreme court to be admitted to the practice of law before that court.

GOVERNOR SMALL IS WORKING OVERTIME TO CLEAN UP BILLS

Executive Signed Fifty-Six Before Calling it a Day's Work Saturday—The Tax Bill Was One of the Measures Receiving His O. K. —Will Complete Work at the Present Rate

(By The Associated Press)

SPRINGFIELD, Ill., June 225.—Governor Small today signed the corporate tax bill fixing the rate for Chicago at $1.85 and the rate for downstate cities at $1.33 1-3. The time for which these rates may be levied is extended to 1923.

The governor signed fifty six bills today before closing his desk tonight. He has four days in which to consider 148 more bills before the legislature returns for formal adjournment late Thursday.

Bills signed today included several highway measures which legislation was an important part of the governor's program. Following are some of the bills approved by the governor today:

S. B. 512. O. W. Smith—Gives department of trade and commerce authority to investigate insurance companies in the process of organization.

S. B. 211. Wright—Extends operation of act for relief of indigent war veterans of the world war.

S. B. 115. Roos—Privides for six instead of five per cent interest of school anticipation warrants.

H. B. 843. Tice — Provides that all money accruing to the state under acts of congress in regard to federal aid roads shall be placed in the road fund.

H. B. 572. Committee on Appropriations—Appropriates $2,292,851 to the normal schools for maintenance.

H. B. 366. Davis — Requires record votes by county boards on all ropositions to appropriate money.

H. B. 367. Devine—Changes the name of the Northern Illinois State Normal school to the Northern Illinois State Teachers' College.

H. B. 276. Searcy—Provides that insurance companies may cease to register policies when insurance in force exceeds fifty million dollars.

S. B. 135. Glackin—Requires contractors to file bonds equal to one-third of the amount of bids on local improvements.

S. B. 173. Carlson—Provides payment of death benefits of fraternal beneficiary societies.

S. B. 516. Meents—Amends civil administrative code. Provides for seven commerce commissioners instead of five utility commissioners. Increases salaries of assistant department directors, supervising engineer and architect, superintendent of prisons and superintendent of highways.

S. B. 385. Dunlap—Requires additional license fees for bus lines and motor transport lines operating on public highways.

S. B. 167. Meents—The highway maintenance bill providing for a system of highways and removing all employes of the division of highways, about 500, from civil service.

S. B. 138. Meents—Places additional duties on county superintendents of highways and town and district road commissioner.

S. B. 99. Dailey—Creates a commission to investigate the entire educational system of the state and to make recommendations to the governor.

H. B. 841. Young—Provides that land once sold for taxes and put up for sale for subsequent taxes but withdrawn in default of bidders shall be subject to the same conditions as to tax deeds and redemption as though sold or forfeited to the state.

H. B. 817. Tice—Provides maximum weights for motor vehicle loads and gives department of Public Works power to appoint highway patrols.

H. B. 756. Committee on Education — Provides that annual school elections shall be held on the second Saturday in April instead of the third Saturday.

H. B. 282. Hopp — Provides that election precincts shall continue as near as practicable 500 voters and not more in any case than 800.

H. B. 190. Short — Permits flags of disbanded Grand Army posts to be preserved by the adjutant general with the military trophies of the state.

H. B. 125. Kauffman—Makes Armistice Day, November 11, a legal holiday.

H. B. 793. Church—Removes the provision that a married woman may not enter into a partnership business without the consent of her husband.

H. B. 271. G. J. Johnson — Authorizes county board to levy a 2 mill tax for soldiers' and sailors' burial funds.

POSITION OF CARPENTERS IS EXPLAINED

Tell Landis Cannot Accept Him or Anyone to Arbitrate

(By The Associated Press)

CHICAGO, June 25.—Officials of the Carpenters' District Council today informed Federal Judge K. M. Landis, arbiter in the building wage dispute that resulted in a lockout on May 1, that they are prevented by their international constitution from accepting him or any other outsider as arbiter of disputes concerning wage scales and working conditions.

The Carpenters were one of the few crafts that did not concur in an agreement reached several days ago my employing contractors and a majority of the building trades unions industry.

It was said unofficially that the carpenters would go back to work if they received the same pay as bricklayers and skilled mechanics in the building trades.

WEATHER REPORT

WASHINGTON, June 25.—Weather predicitions for the week beginning Monday are:

Region of the Great Lakes, Upper Mississippi and Lower Mississippi valleys:

Temperatures above normal partly cloudy, scattered thunder showers.

ILLINOIS—Unsettled, shower weather Sunday and possibly Monday; not much change in temperature.

INDIANA—Partly cloudy with scattered thundershowers Sunday and probably Monday; little change in temperature.

MISSOURI—Unsettled, showery weather Sunday, somewhat warmer in west portion, Monday probably fair.

Temperatures

The current, maximum and minimum temperatures as recorded Saturday were:

Jacksonville, Ill.	80	89	6
Boston	70	80	6
Buffalo	78	86	6
New York	76	86	7
Jacksonville, Fla.	82	90	7

Admiral Sims possibly doesn't feel so very bad about the public reprimand for his indiscreet speech in England. Following the reprimand came the honor of a conference with President Harding and besides the admiral may be somewhat hardened to this reprimand business, as this is his second offense along the same general line.

The jury in the Orthwein case very quickly arrived at a verdict of acquittal. This action occasioned no surprise for it is a quite well established custom in Chicago for juries to free women who commit murder, especially if the woman happen to be good looking. However, in this case there was a good deal of evidence to show that the murdered man was very largely responsible for the series of events which led up to his slaying.

Mr. Gomper's attitude on problems relating to employment do not always satisfy the general public, but by comparison with John Lewis, his defeated opponent for the presidency of the federation of labor, he is a mild mannered conservative. Perhaps some of Mr. Gompers' acts and statements are influenced by the fact that there is a very radical element in the labor organization which he must to a certain extent pacify "for the good of the order."

Macon county has just received bids for the construction of a tuberculosis sanatorium authorized by the people. The bids show a variance of from $100,000 to $130,000. The figures indicate that contractors still have varying ideas as to construction costs and also as to the present hazard of taking on contracts.

With business conditions anything like stable there should not be a difference of more than a very few thousand dollars in the estimates of reliable contractors.

Incidentally it is interesting to note that the expense for the construction of the building will be about equal to the investment Morgan county now has in its tuberculosis sanatorium project.

Some of the strongest advocates of civil service are planning to have it made a matter of constitutional provision. The question will be brought thefore the constitutional convention in September and an effort made to include it in the provisional constitution. This will certainly give the matter a fair test, for along with other constitutional proposals it must be submitted to a vote of the people.

Since Governor Small has signed measures which make possible the expenditure of $53,000,000 for hard roads, it should be possible to have some of this hard road work done in Morgan county this year. The governor is a sincere advocate of the better roads program and can be counted upon to give this county all possible assistance consistent with the general policy he has cutlined.

Mr. Forbes, counted as a worth while authority in financial affairs, urges early vacations this year. Mr. Forbes says that business is now so quiet that in most instances vacations can be taken without noticing the loss of service and that this will probably not be true two or three months hence. It is in this way that Mr. Forbes makes the gratifying prediction of improved conditions in September.

The hopes of those expecting to be allowed to use "medicinal" beer are fast waning. There have been many—and will be more—attempts to vitiate the 18th amendment, but since it is a part of the constitution the government at Washington can be counted upon to back its enforcement. After a while the wet forces will find the silliness and futility of their efforts to set at naught the will of the majority of the people.

CHURCH ADVERTISING

Ministers and church men who doubt the advantage of newspaper advertising for the churches should read this statement from Bishop Joseph F. Berry, published in the Christtian Advocate:

"The daily and weekly papers furnish the best medium for church publicity. And I do not expect to get its advertising free. It includes in its budget various items of expense, such as a minister's salary, the janitor, light, heat, insurance, repairs, and often the salary of the organist, and some special singers. Why should not advertising be properly added to this list."

FORTH OF JULY PROCLAMATION

Citizens of Jacksonville thru a committee are ararnging for an observance of the Fourth of July commemorating the completion of the water supply project. It is fitting that an event of such moment in the history of Jacksonville should not pass unnoticed. The water supply project was made possible in Jacksonville by the co-operative effort of the people. The solving of this most important question means not only the health and safety of the city, but makes possible future growth.

In order that the observance may be general and its significance appreciated by the whole people, on behalf of the committee of arrangements and as mayor of Jacksonville I urge that the business establishments of Jacksonville be closed as far as possible Monday, July 4.

The proper and enthusiastic recognition of the importance of the completion of this project will indeed make an appropriate celebration both of the nation's birthday and of the new day which has dawned for Jacksonville.

E. E. CRABTREE, Mayor.

MISS NEVILLE IS HEAD OF BIBLICAL INSTRUCTORS

Miss R. B. Neville, of Illinois Woman's College, has been chosen president of the middle west section of the Association of Biblical Instructors. The organization is composed of instructors of Bible in colleges and universities in the middle west. The esteem in which Miss Neville is held by her fellow workers is evidenced by this latest recognition of her ability, and the honor comes most naturally as an expression of their regard for her and for the high quality of her work.

FIX DATE FOR COMING OF CHICAGO CHILDREN

July 14 to 28 is Days Set—Last Year About Eighty Were Entertained.

July 14 to 28 has been designated as the time when Jacksonville people will have opportunity to entertain children from the tenement districts of Chicago. Last year about eighty of these boys and girls enjoyed an outing in this community, and Miss Anne Fowler, superintendent of the Social Service League, is anxious that as many or more may get to come this year.

Those who are interested in helping to entertain these Chicago children may obtain full information regarding the plan from the Social Service league headquarters at 221 1-2 West Morgan street, Illinois phone 26, or may call one of the following members of the committee:

Miss Marian Fairbanks, 505 W. State street. Bell 332.

Miss Irene Merrill, 722 West College avenue. Illinois 328.

Miss Helen Dinsmore, 303 West College avenue. Illinois 180.

You know the old saying, "don't put new wine in old bottles." Neither should you put old tubes in new casings. buy the Penn Tire at BRADY BROS. and get new tubes free.

OSBORNE STORE ON DIAMOND STREET SOON TO OPEN

Announcement was made yesterday that the J. E. Osborne Cash grocery is to open at 700 South Diamond street on next Tuesday. Mr. Osborne recently purchased this establishment from Owings Bros. and the necessary legal steps for transfer are being completed. An entirely new stock of goods is to be offered for sale and in addition there will be a meat department, with a full line of fresh meats. The firm has also announced that ice will be sold at retail. Willard Wesner is to be manager of the store.

Always good, guaranteed, and backed up by BRADY BROS. Why take chances with cheap junk when you ca nbuy good tires at a reduction of 35 per cent.

SOME PIKE COUNTY ITEMS

The last Pike County papers had several items of more or less interest here. The Democrat said:

W. A. Hannant of Perry, received news last week of the death of his sister, Mrs. Mariaco Brown, aged 86, at his home in Los Angeles, California. Mrs. Brown was a sister of the late Mrs. Colonel Wilson of this city.

Mrs. Brown was a dweller here at one time and later in Perry. She was one of the most beautiful young women in Morgan and Pike counties and came of an English family. She was a cousin of Mrs. Rebecca Rust Hockenhull.

Letter from James B. Gregory

Editor Republican: On May 30, a party of former Illinois people were off early to Topanzo Canyon. In the party were Mr. and Mrs. F. C. Moore, Mr. and Mrs. Glenn Gossard and son, Mr. and Mrs. E. C. Yockey and daughter, Mrs. Sophia Moore Reynolds, widow of Lieut. Nathan Reynolds (she was a war bride of the Civil war), all of whom formerly resided in or near Perry; Mrs. Gossard and two girls from Springfield, Ill.; G. A. (Al) Gay of Summer Hill, a Mrs. Allison of California, and the writer and his wife. I was ordered by resolution, carried unanimously, to report the outing for the Republican, as evidence of the fact that we had not forgotten home and old-time friends.

F. C. Moore was postmaster at Perry for years. His sister, Mrs. Reynolds, lived here before going west.

The Perry Citizen of recent date contains the following:

Dr. Noyes, wife and son, and W. J. Brady of Jacksonville, called on Mr. and Mrs. Wm. H. Willson, Sunday, while on a pleasure trip. Dr. Noyes is a Perry boy who left Perry 25 years ago and has made good in his profession as a dentist. Hits father will be remembered by some of our older residents, as he taught school in the old Perry school building Dr. Noyes was born on the farm where J. J. Hoerlein now resides and while here drove out to see his old home.—Perry Citizen.

MAJESTIC THEATRE
A Thrilling Tale Unfolds
Monday and Tuesday

Priscilla Dean, the girl of the wondrously beautiful eyes and bewitching smile; and Lon Chaney, the foremost male actor on the screen, in

"Outside the Law"

Thrilling Tale of San Francisco's Underworld, With Priscilla Dean as "Silky Moll," and Chaney as "Black Mike"

It's the story of the daughter of a reformed crook, who forsakes the straight path when her father is "framed" by a former henchman and sent to prison. How she matches her wits against the minions of the law and the underworld; how the maternal instinct softens her soul, and how her reformation is accomplished by the Confucian philosophy of a Chinese sage.

FARM BUREAU NOTES

Gasoline Engine for Binder — Yesterday at Sinclair, L. J. Stewart was using a binder equipped with a Cushman engine to drive the machinery. In this case the bull wheel is disconnected from the gearing and all the horses do is to pull the weight of the binder. This arrangement enabled Mr. Stewart to cut wheat on ground entirely too wet to run the ordinary binder with machinery run by the bull wheel.

Concrete Wallow and Drinking Place for Hogs—Edwin Goff of Prentice has a very unusual concrete drinking place for hogs. The concrete walls are 14 by 64 with sloping walks leading down to the bottom 6 feet below the surface. Water comes in from a 12 inch tile from the field and is carried away by two tiles of the same size. The tiles have only stopped running there three times in three years. When the hogs are wallowing the water may roil, but clears as soon as they leave. The entire arrangement beats anything in the watering line we have seen.

Fighting Chinch Bugs at Prentice—J. W. Graff has stopped the bugs on his farm at Prentice with a barrier that would not appeal to a man afraid of work. He has placed six inch fence boards upright for a half mile and poured crude oil along these. He has also the recommended post hole traps back of this board barrier. Mr. Graff has been going along this line several times a day with a blow torch and killing the bugs back of the line as well as those in the holes. He wil try creosote today instead of crude oil.

Horse Shoe Match at Waverly —Word has been received from E. W. Rusk, farm adviser in Macoupin county that they will certainly have a team at the Waverly picnic to compete with a team from Morgan and Sangamon. This will enable several teams to practice for the big I. A. A. picnic at Dixon, Ill., September 3rd. The national rules for horse shoe pitching will be used. We will gladly furnish a copy of these to interested parties.

Give the Boys a Chance—Several likely looking lads have tried to get harvesting jobs. As a general thing farmers do not like to train a boy. However, emergency help is getting harder to get each year and if each farmer will help solve the labor problem he will give these boys a chance.

Grain Savers Satisfactory — Jeffery Cleary was using grain savers yesterday on his farm west of Jacksonville. He thinks they are good things. They certainly were enabling him to make a clean job of some grain that was somewhat tangled.

Rain and Black Rust—The farmers near Sinclair said they had had four good rains in eight days. As a result black rust has appeared on some wheat.

SOCIALISTS WILL NOT AFFILIATE

DETROIT, Mich., June 24.—Refusing by a vote of 35 to 40 to affiliate with the third Internationale of Moscow the Socialist Party of the United States today voted in its annual convention against international relations of any kind and for the next year at least, will pursue its course alone.

The vote came after Victor Berger, Morris Hilquit, Algernon Lee and other leaders had denounced the soviet government as the murderers of Socialists of Russia and as a "wrecking crew" bent on the destruction of Socialist parties thruout the world.

Debate Was Heated

Action of the convention followed three hours of heated debate during which communist sympathizers started a demonstration. Unlike the conventions of the last two years this year's gathering showed scant patience with the extreme left wing.

"I want no dictatorship," Mr. Berger declared in his attack on the soviet government. "I have had the dictatorship of Burleson, the dictatorship of Wilson and the dictatorship of Palmer. That is all the dictatorship I want for the rest of my life."

Tomorrow's session will take up the questions of party policy and tactics, including dictatorship of the proletariat, the general strike, political strikes and the party's attitude toward organized labor.

ATTEMPT TO RESCUE BOY; TWO DROWN.

New York, June 25.—The shouts and splashings of eight year old Edward Anderson were mistaken today for the cries of a drowning lad and two workmen of Elizabeth, N. J., Paul Saps and Michael Sowenk—plunged into a pond on Staten Island to rescue him. The boy thinking the men were going to arrest him, swam to the bank. When he looked back at the water there was no one in sight.

Two policemen later recovered the bodies of Saps and Sowenk from the bottom of the pond. It is believed that cramps seized them.

INCREASES ARE GRANTED OFFICIALS

Recent Omnibus Bill Shows all State Elective Officers Have Received Big Increases.

(By The Associated Press)

SPRINGFIELD, Ill., June 25.—Increases over 1919 appropriations granted to the state officers by the omnibus bill adopted by the recent Illino's legislature ranged from $925 for the governor to $558,220 for the secretary of state.

Despite the fact that the conference committee cut $75,000 off Attorney General Brundage's appropriation for enforcement of the prohibition laws the committee gave his office $221,880 more than was provided in the or ginal bill and $347,600 more than the 1919 appropriation.

Conference increases for the secretary of state amounted to $84,720 over the original bill. Additional duties of the automobile department, largely duties of vestigation, were placed upon the secretary of state.

In the governor's appropriation salaries were increased from $1,600 to $36,400 while the amount for repairs at the executive mansion was decreased from $8,775 to $5,000.

Following are the comparative amounts of the state officers' appropriations for 1919 and 1921.

Officer	1919	1921
Governor	$ 137,875	$ 138,800
Lieut Gov	18,000	20,000
Sec of St.	1,376,560	1,934,780
State Aud	587,820	998,460
Treas. ..	275,100	469,090
Att. Gen..	789,600	1,137,200
Supt. Pub. Instr.—	101180	128,000

BRUNDAGE ON STORING FIREWORKS

CHICAGO, June 25.—Renewed activity in the matter of enforcing the law regarding the storage of fireworks was started today when a decision on the subject was received at the state fire marshall's office from Attorney General Brundage.

The decision practically stops the sale of fireworks in this vicinity, as the attorney general pointed out that fireworks may not be stored within 300 yards of a habitable dwelling. The ruling also states that this provision acts against any merchants who has a counter and a case of fireworks behind it, as this is considered storage.

Investigation by the fire marshal's men has disclosed large quantities of fire works in Chicago suburbs, but it is reported that as practically all merchants are near a habitable dwelling, none of it can be sold. Consequently a great deal of this material is being shipped south after a cancellation of orders for Chicago delivery, according to the fire marshal's office.

WILL TAKE UP PRIVATE PRACTICE

Chicago, June 25.—James Arthur Miller, assistant United States district attorney, resigned today to enter private practice. He has represented the government in many important litigations here recently.

MONDELL PREDICTS PASSAGE OF TARIFF BILL BY JULY 20

Chairman Fordney Also Makes Similar Prediction

WASHINGTON, June 25.—Passage of the tariff bill by the house before July 20 was predicted today both by Representative Mondell, Republican house leader, who conferred with President Harding, and by Chairman Fordney of the ways and means committee.

They also agreed that the revenue bill would be taken up immediately upon passage of the tariff measure and Mr. Mondell added that the special session of congress would end when the bill was enacted.

Representative Fordney announced that the tariff bill would be presented formally to the house next Saturday.

R. R. TELEGRAPHERS ACHIEVE VICTORY

CHICAGO, June 25.—The Order of Railroad Telegraphers won a victory before the United States railroad labor board when the board today handed down a decision that its previous decision to terminate its control over the national agreements on July 1, did not terminate the agreement of the Order of Telegraphers with the carriers.

The decision of the board in part follows:

"Changes in such rules or agreements, however, may be made after the required notice either by agreement of the parties or by decision of this board after conference between the parties and proper reference in accordance with the provisions of the transportation act and the rules of the board."

STRIKERS FORCIBLY BOARD TRAIN.

Pittsburg, Kan., June 25.—Two hundred men, many of them hanging on cattle cars and riding bumpers, were aboard a Kansas City Southern freight train when it pulled into Pittsburg today. The train crew said the men, many of them believed to be striking dock workers from gulf ports, forcibly boarded the train at Watts, Okla., last night, some of them saying they were enroute to the Kansas wheat fields.

On request of peace officers, most of them left the train here. They were given breakfast by the Salvation army and a hastily formed citiizens' organization. At noon only a few of the men remained in Pittsburg.

DETROIT MAN KILLED BY LIGHTNING.

Chicago, June 25.—Robert W. Collins, 23, of Detroit, Mich., was killed by lightning today while he stood under a tree where he had sought shelter from a rain storm. Robert Fish of Foreston, Ill., who was nearby, was knocked down and injured by the lightning.

The force of the lightning stripped the shoes from Collins' feet and burned his clothing. The name of Mrs. R. W. Collins, 30 West Palmer street, Detroit, was found among papers Collins carried together with an army draft registration card.

CHARGED WITH IMPERSONATING OFFICER.

Chicago, June 25.—Martin P. McNichols, formerly an examiner in the naturalization offices attached to the federal court was arrested today by a United States deputy marshal on a federal bench warrant. The arrest followed two others made recently on indictments charging extortion conspiracy and impersonation of federal officers which were returned by the federal grand jury in connection with an alleged extortion of money from aliens who attempted to become citizens. The other men under arrest were attaches of the circuit court.

MEXICAN TROOPS SENT AGAINST REBELS.

Brownsville, Texas, June 25.—Genereal B. Lopez, commanding the frontier district between Matamoros and Nuevo, Laredo, today ordered the federal commander at Guerrero, Mexico, opposite Zapata, Texas to take the field with two hundred men against the supposed revolutionary band.

REDUCE MAXIMUM DISCOUNT RATES.

Kansas City, Mo., June 25.—Announcement of a reduction of 12 to 8 per cent in the maximum progressive discount rate for the Kansas City federal reserve bank July was made today.

The progressive discount rate—a sliding scale above the basic rate is charged when member banks borrow more than their full proportion of the lending power of the reserve bank.

HELD TO GRAND JURY IN SHOOTING

Springfield, Ill., June 25.—Failure to establish sufficient evidence to support his plea of self defense before a coroner's jury tonight, Nicholas Crudden, a saloonkeeper, who shot and killed Louis Vemondes, a former soldier, Thursday night, was held for grand jury investigation. Witnesses differed over the question of whether Cemondes was armed with the knife which was found in his hand a few minutes after he was shot.

Many men are enjoying a Braxton belt who thought they could not wear a belt with comfort.

NEW ATTACK MADE ON 18TH AMENDMENT

Former Senator James Hamilton Lewis Fies Suit to Recover Whiskey Valued at $500,000 From Warehouses.

CICAGO, June 25.—A new attack upon the eighteenth amendment and the Volstead law was filed today in the United States court by former United States Senator J. Hamilton Lewis to recover whiskey valued at five hundred thousand dollars, stored in Chicago warehouses.

The plaintiffs are distillers and merchant owners of bonded whiskey, while the government, the United States internal revenue collector, prohibition director, Attorney General Brundage and the United States Attorney are made defendants.

The new assault does not attack the amendment or the Volstead act as invalid, but the plaintiffs claim no provision of either measure can apply to whiskey deposited in government warehouses by the direction of the government before either measure was passed, where the goods are now owned by the same owners who deposited the liquors on a contract to have it returned when the government tax was paid.

The principal new point raised is the claim of the complainants that the provision of the constitution against manufacture referred to manufacture after, and not before passage of the amendment, that the provisions of the amendment against use of liquors for beverage refers to the particular set of spirits allowed by law to be used for medicinal, mechanical and industrial purposes and that the Volstead law's provisions apply only to those who would attempt to use as a beverage the spirits permitted to be manufactured for medcinal, mechanical and industrial purposes.

The complainants who state they do not desire the use of the goods for beverage purposes, ask for a mandatory injunction, compelling the collector to order government warehouses to deliver the property to the holders of the certificates, and enjoining national and state officers from interference after the owners have taken possession.

Mr. Lewis said there was no desire to have the prohibition laws declared invalid, but merely applied according to its meaning which would avoid confiscation of property.

GOMPERS RETURNED TO PRESIDENCY

(Continued from Page 1)

trict, Robert Harlan, president of the Washington district and Alexander Howat, president of the Kansas district United Mine Workers casting their total vote for Gompers.

Lewis, who as a delegate, held 593 votes, did not cast his ballot.

The railroad organizations, which were reported to have backed the Lewis boom failed to support him, two of the largest unions, electrical workers and railway car men voting solidly for Gompers. The building trades unions and a majority of the metal working organizations also supported the labor chief.

J. Mahlon Barnes of Chicago, of the cigarmakers' union of which Gompers is a member cast his sixty eight votes for Lewis.

The election of Gompers brought to a close one of the hottest political campaigns ever waged in the history of organized labor.

Relentless Campaign.

The campaigning had gone on relentlessly since the convention opened and at times proceedings on the floor of the convention were interrupted by the electioneering. Charges and counter charges were hurled back and forth by both sides. Early in the campaign reports were published that certain anti-Gompers interests were operating among the delegates with a slush fund.

At no time however, did these charges involve the supporters as they were all made against persons outside the ranks of organized labor.

William J. Spencer of Washington, D. C., secretary of the building trades department and James H. Forrester of Washington were elected fraternal delegates to the British trade union congress.

John O'Hara of Danbury, Conn., was elected as fraternal delegate to the Canadian Trades and Labor congress.

Cincinnati, Ohio, was selected for the city for the next convention over Fort Worth, Texas.

KENYON WILL HEAD COMMITTEE

Washington, June 25.—Chairman Kenyon of the senate labor committee, is expected to head the sub-committee which will be appointed, probably early next to investigate the disturbances in the West Virginia coal fields, as directed in a resolution adopted yesterday by the senate. The hearing probably will be held at Williamson, West Virginia.

ONE DIES IN AIRPLANE ACCIDENT

Baltimre, Md., June 25.—One man is dead and anoter is in a serious condition at the Camp Meade hospital as a result of an airplane accident at Logan Field Dundalk.

Lieut. John Bay of Jarrettsville, Md., is the dead man. Private Eugene Nortton, the passenger, is expected to recover.

SON FATALLY STABS FATHER

Kankakee, Ill., June 25.—Samuel Sopia, 65, was fatally stabod by his son Iube Sopia in a quarrel here today.

LICENSED TO MARRY

Albert Spreen, Jacksonville;

CITY OFFICIALS BLAMED FOR RIOT

TULSA, Okla., June 25.—Charges of failure to enforce prohibitory laws, city ordinances against immoral resorts, state laws against automobile theft and rioting and the allowing of carrying of weapons by citizens, figured in five accusations against John A. Gustafson, chief of police of Tulsa, returned today in indictments against him and other officers at the Tulsa county grand jury investigating the cause of recent riots which caused the death of thirty-five persons. Indictments were also returned against Ray Ward and Roy Meachinal, city detectives; B. L. Waddell, chief of police of Sans Springs and one of his officers, F. P. Williams.

Orders were immediately issued suspending the officers. Blame for the rioting was placed by the grand jury on the band of armed negroes who marched to the court house the night of March 31, ostensibly in protection of a negro youth held in jail on an assault charge. The jurors found that there was no mob spirit among the whites who gathered at the court house an hour before the negroes appeared and that these whites were not armed and were drawn to the court house by rumors of a lynching.

BROTHERS ELECTED CHIEF JUSTICE.

Chicago, June 24.—Judge David M. Brothers today was elected chief justice of the circuit court by his fellow members of that bench. He succeeds Judge Oscar M. Torrison. Judge Francis S. Wilson was elected acting chief justice to succeed Judge Frank Johnson, Jr.

REAL ESTATE TRANSFERS

Elizabeth Todd to R. W. Carson, pt. lots 16 and 17, Cox's resubdivision, $750.

U. J. Sinclair and John Beggs of Ashland were business visitors in Jacksonville yesterday.

STATE FAILS TO HAVE DIVORCE SET ASIDE

RENO, June 25.—The effort of the state's attorney general to have the divorce of Mary Pickford from Owen Moore set aside failed at Minden this afternoon when District Judge Langan granted a motion to quash the summons in the attorney general's proceedings.

The court held that while it was true the state was a party to all divorces as contended by the attorney general, yet the state was represented by the trial judge and not by the attorney general. As the decree had been accepted by both plaintiff and defendant the judge decided the state was estopped from proceedings to set aside the decree.

MEN are easily satisfied—if they get just what they want. We have learned that in buying shoes men want comfort, good style and a sensible price. The increasing number of men who buy all their shoes here is evidence of our ability to please them.

There's a Long, Long, Hot Summer Awaiting You,

Every One---

Listen

I brand as absolutely false any statement made by any source that "prices of manufactured goods are now back to before-the-war" levels. I am paying at present one hundred per cent more for woolen cloth than before the war, very much more for labor and a great deal more for overhead of every kind. If you are waiting for a drop in prices in any standard line line of merchandise, made up of high grade labor and high grade fabrics of any kind, you are on a false lead. If you will consult any banker or other competent authority you will learn that the standard of living of the worker was raised by the war and in the United States of America it is going to be maintained by every good citizen, and I, for my small part, support this principle within reason.

Be Comfortable

in a Suit of Genuine Porus cloth, Mohair, or Tropical Weight Worsted

In my own business, without regard to price, I am still carrying out my policy of maintaining a low price level for the best that can be produced. I am prepared to turn out quality garments, that you and I will be proud of, made as you want them. Come to my shop and I will make you a suit from any goods in the house at a less price than you can obtain anywhere in Illinois.

A GOOD BANK IN A GOOD TOWN
Jacksonville, Ill.

"A No-Account Man!"

You often hear this expression, but did you ever stop to think what it means? A "No-Account Man;" a man with no account. Do YOU want to stay in this class?

One dollar opens an account for you at this friendly bank; a little backbone keeps it growing. If you've got a dollar and a spine, get out of the "no-account" class!

FARRELL STATE BANK
A BANK WHICH IS STRONG IN MONEY AND METHODS

WOMAN ADMITTED CLAIM AGAINST ESTATE FALSE

Jersey County State's Attorney Says Admission Made to Him

JERSEYVILLE, Ill., June 25.—A claim of $69,900 made against the estate of the late Theodore Roosevelt by Mrs. Emma Richardson Burkett of Hillsdale, Ill., was admitted by her to be false while she was held in jail here in November, 1919, State's Attorney Paul M. Hamilton said today.

"While Mrs. Burkett was held in jail," said Mr. Hamilton, "I learned that she had placed with a bank at Danville, Ill., a note for $69,900 alleged to have been endorsed by the late Colonel Roosevelt. She admitted to me that the note was spurious.

"I subsequently learned that the note had been withdrawn several days after it had been turned over to the bank for collection. At first Mrs. Burkett informed me that she had loaned the money to a man named Payton, whom she described as a nephew of a justice of the peace at Danville, Ill. However, when I learned that no such person could be found Mrs. Burkett admitted that the note had no value."

MONDAY SPECIAL

BRADY BROS.

A GREAT CREAMERY

L. T. Potter has returned from Peoria, where he went to be present on the date of the opening of the new Peoria creamery. This establishment which has been erected by the Peoria Creamery Co. at a cost of $500,000, is said to be the most complete of its kind in the U. S. The building occupies an entire block and the equipment is of the most modern type known. This equipment includes many labor saving ideas, and the purpose has been to eliminate as far as possible cost of operation.

It goes without saying that due attenion has been given to the best ideas of sanitation and the big plant is a model of its kind. While it will draw business mainly from Illinois, it is expected that shipments will be received from several other states and the products of the creamery will be distributed over a much wider area.

High Test GASOLINE for Gasoline Stoves at BRADY BROS.

RETURNS FROM VISIT IN STATE OF VIRGINIA

Dr. J. M. Wolfe returned to Jacksonville Saturday noon from a two weeks' visit with relatives in southwestern Virginia.. He reports that nearly all the coal mines in this district are shut down on account of a lack of demand for coal.

While at Norton, Virginia, Dr. Wolfe had the pleasure of hearing Billy Sunday, who is holding a revival meeting there, with large crowds in attendance. Felix E. Farrell and Horace H. Bancroft were among those about whom the evangelist inquired. Mr. Sunday also umpired a baseball game while Dr. Wolfe was in that city.

HENRY FORD A VISITOR IN DECATUR

Henry Ford, famous in the automobile industry, was in Decatur Saturday, reaching that city with a number of friends in his private car. Mr. Ford visited the Illinois city in order to be present at the Firestone-Parke wedding. Mr. Ford has long been on terms of intimate friendship with the Firestone family.

PASSAVANT HOSPITAL NOT

The three men who were mentioned in Saturday's Jouranl as being patients at Passavant are all ex-service men.

An umber of ladies under the direction of Mrs. Walter Ayers have been making surgical dressings ofr the surgical department of the hospital. This service is greatly appreciated by those in charge.

Mr.. Hay, employed as a farm hand employed by Sam Darley, was brought to the hospital Friday suffering from a nail in his foot.

ALEXANDER EPWORTH LEAGUE GAVE SOCIAL

Young People of Methodist Church Enjoy Pleasant Evening—Primary S. S. Classes Had Picnic—Other Alexander News.

Alexander, June 25.—Ehe Epworth league of the M. E. church gave a social Friday evening at the church. A large number of young people attended and all thoroly enjoyed then occasion. The following program was given during the evening:

Song—Company.

Solo—Miss Irene Wood of Murrayville, accompanied by Miss May Wood.

Musical reading—Miss Bracewell of Jacksonville, accompanied by Miss Esther Black.

Solo—Mrs. K. V. Beerup, accompanied by Mrs. Lester Gray.

A brief address was given by Miss Bracewell on organization of the league. Her remarks had much value in the way of suggestions for carrying on young people's work in the church.

After the program games were enjoyed, Miss Bracewell superintending this part of the program. Later delightful refreshments were served, bringing to a close a very pleasant evening.

The children taught by Mrs. J. W. Morgan and Mrs. J. T. Little in the primary department of the M. E. Sunday school enjoyed a picnic Thursday afternoon in the basement of the church. It had been intended to have the picnic in the park but the unfavorable weater conditions made a change in plans desirable. There were forty-four children present and their mothers and other guests present brought the total number to sixty-seven.

During the afternoon the following program was given:

Recitation—Florence Schott.

Instrumental solo—Ona May Lindsay.

Solo—Georgia Miller, accompanied by Katherine Morgan.

Instrumental solo — Virginia Keenan.

Dialogue—Three Duke sisters.

Instrumental solo—Mabel Snyder.

Recitation—Ona May Duke.

Later the children enjoyed games and contests, the prizes in the bag throwing contest being won by Ellis Lindsay and 1st honors in "breaking the jug' going to Virginia Beerup.

The serving of a picnic supper was the final feature of the picnic program, the bill of fare including all sorts of good things to eat.

Samson Model M Tractor
The Tractor for All Year Use

If you will judge the Samson Tractorr by the value of it's utility you will quickly appreciate why so many farmers in this locality have purchased them. The SAMSON MODEL M is more than just a power plant for plowing or silo filling. It can be utilized nearly every month of the year. It will save you money in nearly every operation of your farm work.

In the spring, the SAMSON is the ideal machine for seed bed preparation. It pulls a two- or three-bottom plow, a tandem disc-harrow, two twenty-foot spike-tooth harrows, two four-horse grain drills. In summer the SAMSON makes easy work of threshing. In filling, harvestingand be ready to do an early job of fall plowing. In winter weather the SAMSON is right on the job for wood sawing and other heavy duty winter belt jobs.

Come in and see the SAMSON! We have a limited number on our floor right now and invite your inspection.

NEWS OF THE SPORT WORLD

OPPORTUNE HITTING WINS FOR DETROIT

Defeat Faber for Third Time This Season—Chicago Rallies in the Ninth But Falls One Run Short of Tying.

Chicago, June 25.—Opportune hitting by the Tigers coupled with loose playing by Chicago gave Detroit a 7 to 6 victory over the locals today. It was the third time this season that Detroit has beaten Faber. The locals played an uphill game and fell one run shy of tying the count in the ninth.

The score:

GIANTS WIN TWO FROM PHILADELPHIA

Philadelphia, June 25.—New York took both ends of a double header from Philadelphia with ease today. The visitors won the first game 9 to 4, while in the final contest the New Yorkers rolled up the record local score of the season, amassing 17 runs to the Phillies' 4. Frank Snyder had two home runs in the second game, duplicating his feat of Friday.

Sores:

New York 021 024 000—9 19 1
Phila. ... 000 300 100—4 11 1
Ryan, Sallee and E. Smith; Ring, Betts and Bruggy.

Second Game.

New York 000 160 505—17 16 0
Phila. . 100 201 000— 4 14 1
Benton, Barnes and Snyder, Gonzales; Meadows, Baumgartner, Keenan and Peters.

CHANGE OF TEAMS OFTEN HELPS PLAYERS

Milwaukee, Wis., June 25.—(By A. P.)—An instance of ball players not making good on one team, receiving their unconditional release and proving valuable acquisitions on another team in the same circuit is demonstrated in the release by Roger Bresnahan, owner of the Toledo American Association team, of "Nig" Clarke, catcher, and Outfielder Lober. Those players were signed by Jack Egan, pilot of the Milwaukee club and appear to be rendering good accounts of themselves. In a recent game against their old teammates Clark was credited with four, and Lober, five hits.

William Foster made a trip from Alexander to the city yesterday.

CUBS WON EASY GAME FROM CINCINNATI REDS

Hit Luque Hard in First and Sixth Innings—Cheeves Holds Cincinnati Safe Thruout.

Cincinnati, O., June 25.—The Chicago Nationals won easily from the Reds today the score being 6 to 2. Luque was hit hard in the first and sixth innings while the outfielding of Duncan and Barber featured. Cheeves was master of the situation thruout. It was Cincinnati's fifth consecutive defeat. The score:

Chicago	AB	R	H	O	A	E

ENLIST CHEMISTRY TO AID PITCHERS

NEW YORK, June 25.—Chemistry has been enlisted to aid pitchers in their efforts to stop the avalanche of heavy hitting in the big leagues.

A philadelphia scientist has invented a moist chalk like substance which rubbed on a brand new ball, roughens the glossy surface and gives the twirler a firm grip.

The umpires, not the pitchers, rub this unnamed substance on the horschide. The experiment was first tried at Shibe park, Philadelphia a few days ago. It was tried again at the Yankee-Washington game yesterday and Carl Mays, the New York pitcher, said:

"It's fine. It gives the pitcher a chance to throw a curve ball. I would have won five more games this year if we'd had it all along."

Walter Johnson of Washington also likes it.

CHICAGO ATHLETES MUST TABOO CIGARETTES

Chicago, June 25.—(By A. P.)—University of Chicago athletes have got to leave cigarettes alone regardless of what sport they take part in. Many athletes maintain that a cigarette does not affect one's golf, but Coach A. A. Stagg thinks otherwise so when he caught Williard McGuire smoking a cigarette he discharged him from the school golf team.

You know the old saying, "don't put new wine in old bottles." Neither should you put old tubes in new casings. buy the Penn Tire at BRADY BROS. and get new tubes free.

CHATHAM TEAM PLAYS HERE THIS AFTERNOON

Indees Expect a Hard Game With Visitors — Rube Will Be Back in the Game Which Will Strengthen the Locals.

Indications point to a large crowd when the Indees and Chatham hook up at South Side park this afternoon.

The Indees are determined to put the remainder of the games this season on the winning side of the ledger. Last season the locals did not get to going until after July 4th. Then they started and beat every team they played.

Some of these teams were the same ones that had trimmed them earlier in the season. The Indees say that they are starting earlier this season and expect to be going fast by July 4, when they play two more games with Roberts Brothers which they expect to put on the right side of the ledger.

Chatham has a fast team and a three to two victory over Roberts Brothers. However, the locals look better now than at any time this season. Padget will be on the rubber. Both games he has pitched for the Indees have been victories with any kind of support and hitting behind him.

In addition to Padgett, Ruble informed Smith that he couldn't stand it on the bench any longer and would be back at third base Sunday. This will make the infield intact again and also help out in the hitting. The teams will lineup as follows:

Chatham—Fisher, 3b; Davis, rf; Samuelson, ss; Poor, 1b; F. Fisher, lf; A. Pieper, 2b; McCleron, cf; Reifler, c; Bilyeu, p; White, p; Pieper, p.

Indees—Denney, 2b; Wheeler, cf; Ruble, 3b; Cox, 1b; Clark, c; Christopher, lf; Morrow, ss; DeFrates, rf; Hamm, p; Padgett, p; Points, utility.

SCHUPP MAKES DEBUT WITH BROOKLYN TEAM

Former Cardinal Pitcher Wins Game From National League Champs — Mitchell Ejected From Grounds by Umpire O'Day.

BROOKLYN, June 25.—Ferdie Schupp, former Cardinal southpaw, mare a successful debut with Brooklyn today, the Robins winning from Boston 2 to 1. Wheat and Griffith gave Brooklyn her runs with circuit drives over the right field fence. Manager Mitchell of the Braves was ejected from the field for disputing a decision by Umpire O'Day.

WILL MEET IN DALLAS TEXAS

Waco, Tex., June 25.—(By A. P.)—Representatives of football elevens of the east and the southwest will meet in Dallas Texas, on October 15, 1921, when Baylor University of Waco, and Boston College will play the first game of a two year football relationship according to Coach Frank B. Bridges, of Baylor. The 1922 game will be played at Boston on October 11.

Baylor University has prospects for a good season this fall, Coach Bridges said. J. K. Reid, captain and all-southern tackle in 1920, will lead the Bears' machine. Other outsanding players on the Baylor team, according to the coach, will be Bradshaw, quarterback; Pittman, fullback and half; Williamson, tackle and guard Webber and Burch, ends; Frazier, holder of southern and collegian track records, halfback; Blallock, tackle; Weathers, tackle and Strickland end and quarter.

TWO BAGGER ON INFIELD HIT

St. Louis, Mo., June 25.—(By A. P.)—A two-base bunt, 15 feet from the plate, that tallied baserunners from first and second, was a feature of the recent New York-St. Louis Nationals series here.

Cardinals were on first and second when Shortstop Lavan bunted along the first base line. Catcher Gaston stopped the ball on the chalk mark. Umpire Quigley ruled it was fair but Gaston argued that the hit was foul.

While this farce was being staged, home plate was left unguarded and the two runners scored, the batter reaching second.

Men's Belts from 50c up. FRANK BYRNS Hat Store.

WHITE SOX WILL PLAY AT WHITE HALL

The Jacksonville White Sox will play the White Hall team at White Hall this afternoon. The White Sox have been playing good base ball and will have to travel their best to beat White Hall.

The Greene county team has been reorganized and is now considered one of the strongest teams in this part of the state.

The battery for the White Sox will be Seymour and Zeil. Wright or Hicks will pitch for White Hall.

CHAMPION WORKS OUT UNDER BROILING SUN

Foreign Newspaper Correspondents Present to Give Him the Once Over.

Atlantic City, N. J., June 25.—After a 24-hour layoff to celebrate his twenty-sixth birthday, Jack Dempsey swung back into his training grind today, working for 45 minutes under a broiling sun and before the critical eyes of a group of foreign newspaper correspondents. About fifteen hundred persons flocked into the open air arena to see the champion in action.

Dempsey perspired thru ten rounds of actual work, altho he only boxed six rounds. He opened up with a three minute round of pulling the weights and then followed a round of shadow boxing. Eddie O'Hare, the New York middleweight stepped the first two rounds with Dempsey but it was evident that the champion was pulling his punches.

Larry Williams who faced Dempsey for the third and fourth rounds, boxed cautiously. Williams was knocked out by the champion early in the week and apparently tried to keep out of danger this afternoon.

The title holder boxed the last two rounds with Jack Renault. After cuffing the big Canadian heavyweight around the ring, Dempsey wrestled for a round with Bull Montana. He concluded with some calisthenics. After the workout Dempsey had a healthy flush to his skin and it was evident that his wind was good.

Before the work out Dempsey chatted with the foreign experts and boxing enthusiasts.

The foreign journalists were impressed with Dempsey's size and strength. After watching him work they agreed that he stripped wonderfully and was well trained but they were unable to pass judgment on his boxing ability as they realized Dempsey did not work at his best clip.

ATHLETICS WIN DOUBLE HEADER

Boston, June 25—Philadelphia took both games from Boston today, the first 3 to 2 and the second 4 to 3, giving Naylor and Moore excellent support in the pinches. Dugan knocked a home run over the left field fence in the first game and Moore helped win his own game by lining a drive against the left field score board which broke thru for a home run. Dykes starred in both games. Scores:

Club:	R.	H.	E.
Phila. ...001 001 001—3	9	2	
Boston ...110 000 000—2	9	1	

Batteries—Naylor and Perkins; Pennock and Ruel.

Second Game:	R.	H.	E.
Phila. .. 100 110 001—4	7	1	
Boston ...002 000 001—3	14	1	

Batteries—Moore and Perkins; Bush and Walters.

WINS DETROIT DISTRICT GOLF CHAMPIONSHIP.

Detroit, Mich., June 25.—Joseph B. Schlotman, Jr., Detroit Country Club won the Detroit district golf championship for the second consecutive year today, defeating T. W. Hunter, his club mate over the Red Run course, 7 and 6.

Schlotman also was low medalist.

DEMPSEY MAY BE FAVORITE AT 3 TO 1

Thatn Seems to be Opinion of Experts in East—But Little Money Wagered so Far.

NEW YORK, June 25.—With boxing on the Dempsey-Carpentier bout for the world's heavyweight championship at Jersey City, July 2, is extremely light despite interest on two continents that promises to eclipse that evidenced in any previous title battle. Both men have numerous admirers who as yet, have failed to back their opinions with much money. Formulated wagering is expected on the eve of the bout with a probable inflow of currency from France.

According to figures at which some money has been wagered in Wall Street, Jack Dempsey seems likely to go into the ring as odds on favourite at 3 to 1. Although in past bouts for the title the champion almost invariably has been the favorite, not since the Sullivan-Corbett battle has the title holder been so strongly favored in a bout of major worth. Sullivan was a 4 to 1 choice over "Gentleman Jim." Willard was a 2 to 1 favorite over Jack Dempsey when the challenger won at Toledo. Jim Jeffries entered the ring favored at 2 1-2 to 1 to beat Jack Johnson at Reno. Johnson, three weeks before he met Jess Willard at Havana, was a 7 to 1 favorite but these figures shifted as the day of the bout approached and the negro climbed into the ring with the odds of only 2 to 5 in his favor. Jim Corbett was approximately a 2 to 1 shot over Bob Fitzsimmons when they met at Carson City.

The total amount of money wagered on the coming battle to date is estimated by a New York sporting man not to exceed $75,000. A large part of this amount has been placed in so-called "freak" bets. Odds of 9 to 5 have been quoted that Dempsey will win by a knock out. Persons who back Carpentier to drop Dempsey for the count demand odds of 20 to 1. Odds of 10 to 1 have been asked by persons who would wager that Carpentier will not answer the bell for the third round.

Paris almost hysterical in its enthusiasm for the French war hero, nevertheless is dubious when money is mentioned. Word received here states that Dempsey rules as 8 to 5 favorite on the boulevards, with little money placed.

Betting men believe that the lack of wagering is due largely to the fact that Carpentier's supporters desire unreasonable odds. Also, they declare that the international aspect of the contest while making for the unusual interest will draw the greatest "gate" in the rings history, is largely sentimental and not conducive to heavy wagering for that reason.

"The bout does not compare with the Jeffries-Johnson and the Willard-Dempsey battles at a corresponding period," one Broadway man declared. "There was at least $2,000,000 wagered on the result of the Toledo battle and it is safe to say that as much or more changed hands at Reno when Jeffries lost to Johnson."

Be assured of your straw hat retaining its shape by wearing one recommended by FRANK BYRNS Hat Store.

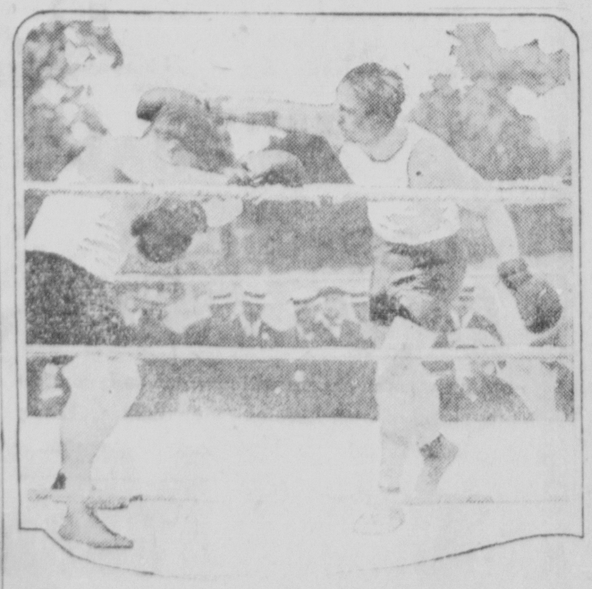

YANKS ERRORS IN FIRST LOSE GAME

New York, June 26.—Washington today won the second game of its series with the Yankees 6 to 4. The first inning told the tale. Shawkey made three errors, Ruth and Meusel fumbled the ball in the outfield and Schang made a wild throw. Babe Ruth made his 26th homer in the fifth with Fewster on. Score:

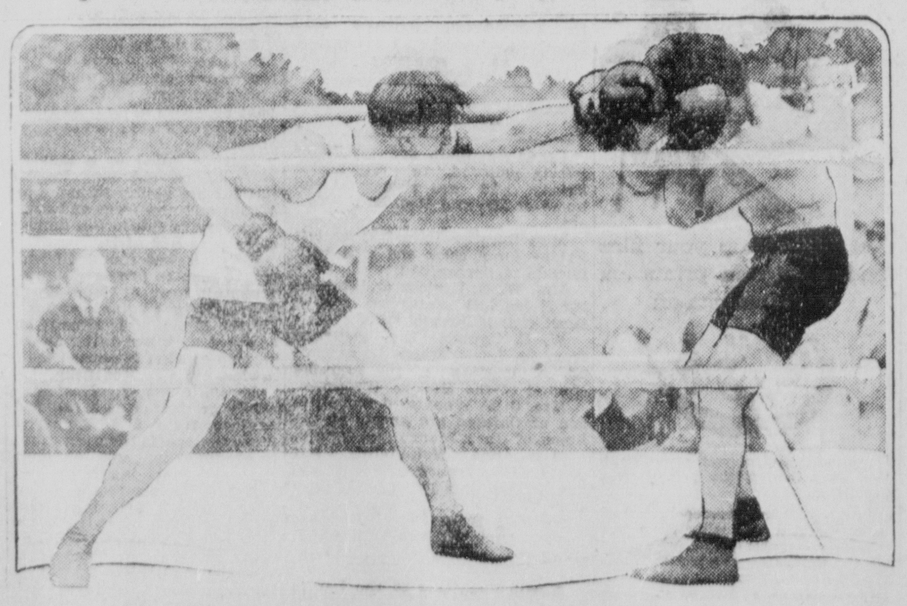

Club:	R.	H.	E.
Wash. ...501 000 000—6	8	0	
New York 000 120 001—4	9	7	

Batteries—Johnson and Picinich; Shawkey and Schang.

New Pictures of Carpentier in Action, Hot from Manhasset Ringside

Lucky for Marcot, the battling chef of Carpentier's camp, that he sidestepped this one. For had Gentleman Georges' right landed, the chances are the dinner bell wouldn't hav rung in Manhasest for some time to come.

Who said Georges Carpentier didn't have a left hand? In this picture he's shown going after Italian Joe Gans, his sparring partned, so viciously with his left that Joe hurriedly covered up to escape. Georges has ben using his right hand almost exclusively in public exhibitions.

The French challenger realizes that Dempsey will try to squeeze him into a corner at Jersey and pummel him at close range. So he's been polishing up on his own infighting methods. He's walloping here at Italian Joe Gans' stomach.

William Price of Sheldon Grove came to the city yesterday to accompany his wife to their home. Mrs. Price has been a patient at Passavant hospital for several weeks.

BASEBALL CASES WILL COME UP FOR HEARING TOMORROW

Reported That One Defendant Will Turn State's Evidence

CHICAGO, June 26.—With the case of the eighteen men indicted in connection with the 1919 world series scandal but thirty-six hours away, the prosecution tonight let it become known thru official sources that arrangements had been completed for at least one of the defendants to turn state's evidence and that others alleged to have been "on the inside" in the ase, but not indicted, would testify for the state.

From both prosecution and defense came formal announcement that tere would be no further delay.

"Our case is absolutely complete," one official said. "Our investigations during the past few months have uncovered every detail of the conspiracy and we have more witnesses than we need."

All Will Not Appear.

While eighteen men are under indictment it is not believed that more than fourteen would be present for trial. Carl Zork and Ben Franklin of St. Louis, alleged by the state to have been among the leaders in the alleged conspiracy will present affidavits that illness prevents their presence according to the attorneys. Hal Chase was released in California some time ago after being arrested and Abe Attell was discharged in New York today.

Th eight Chicago White Sox players indicted, Eddie Cicotte, Buck Weaver, Joe Jackson, Claude Williams, Swede Risberg, Fred McMullin, Chick Gandil and Happy Felsch, all are under bail. All but McMullin and Cicotte are playing ball here with a semi-pro team. Zork and Franklin also are under bail which will be forfeited if they fair to appear and their excuses are not accepted. Ben and Louis Levi and David Zelzer, alleged gamblers have given bail and are expected to be present, but nothing is known as to whether Rachael Brown and Joseph Sullivan, known in the east as gamblers will appear.

Neither has been aprehended.

Bill Burns has not been apprehended.

The case promises to develop into a bitter legal fight, for the defendants have employed nearly a dozen attorneys while the state has assigned two attorneys who will be assisted by two others employed by the American league.

BERNARD WINS CENTRAL TENNIS TITLE

Springfield, Ill., June 25.—Joe Bernard of Springfield won the cingles championship of the Central Illinois Country club association tennis tournament here today when he defeated F. T. Warner of Decatur in straight sets. Springfield won all the golf and tennis championships of the five day tourned except the tennis doubles which went to Galesburg.

WILSON MATCHED WITH MIKE GIBBONS

New York, June 25.—Johnny Wilson, world's middleweight champion, and Mike Gibbons of St. Paul will meet in a fifteen round bout at Ebbets Field in Brooklyn, July 25, it was announced tonight.

YALE WINS GAME FROM PRINCETON.

New York, June 26.—Yale defeated Princeton 13 to 4 here today in the deciding contest of their annual baseball series of three games.

Carp's First Look at Arena

Carpentier was astounded by the size of the Jersey City Arena where he meets Dempsey July 2, when he took his first look at it. Picture shows Tex Rickard, the promoter, pointing out features of the stadium to Carpentier.

JOCK HUTCHINSON WINS CHAMPIONSHIP

Chicago Professional Defeats Roger Wethered, British Amateur, for High Title.

ST. ANDREWS, June 25—Jock Hutchinson of Chicago won for the United States the coveted open championship by defeating the young Rogert Wethered, 150 strokes to 159 in the playoff today of their tie for first place. It was the most sensational golf the famous old course has ever seen. **Rarely has more thrilling play** been witnessed than the first round today which ended with Hutchinson leading by three strokes after a bitter battle.

It was only in the second round that Wethered began to fall behind badly and after some troublesome holes returned an 82 as against Hutchison's excellent 76. Thus for the second time the championship has gone abroad, the other foreign winner being Arnaud Massey, French professional in 1907.

This was the first time in the history of the championship that an amateur and a professional have been concerned in a final tie, and it was the third time a tie had occurred. A great crowd followed the players today and fully five thousand persons were about the last green.

At the close of the Match Wethered smilingly advanced and congratulated Hutchison, who was raised shoulder high and presented with the championship cup amid rousing cheers.

CHICAGO WILL HAVE WILD WEST SHOW

CHICAGO, June 25.—The world's cowboy championships will be staged in Grant Park, here this year, from July 16 to 24, according to announcement made today. Bronk riding, steer roping and other events will carry cash prizes of nearly twenty five thousand dollars and six championship medals of belts. Cowboys and cowgirls, who won world's championships last year will be here to defend their titles. Plans provide accommodating a crowd of twenty thousand, and eight hundred head of livstock. The event is sponsored by the Illinois Childrens' Home and Aid Society.

DISTURBER IV MAY BE CUP DEFENDER

Detroit, June 25.—Disturber IV, built to enter the Harmsworth trophy race in 1914, has been entered as one of the possible American cup defenders in the Harmsworth event to be held here this summer, it was announced tonight. The boat entered under the Burgee of the Chicago Yacht club. Another likely entry for the international race is the Meteor IV, a single step hydroplane owned by W. B. Wilde of ePoria, Illinois.

SEVENTEEN YEARS OLD GIRL GOLF CHAMPION

Kansas City, Mo., June 25.—Schooled in golf at the hands of her mother and grandmother, Miss Marian Burns 17 year old city champion of Kansas City today became woman's state champion when she defeated Miss Caroline Lee also of Kansas City in the final round of the women's state tournament. Miss Lee who has held the title three years was defeated 4 and 3.

High Test GASOLINE for Gasoline Stoves at BRADY BROS.

FRONTIER HANDICAP AT WINDSOR IN JULY

Will be Held on July 12 and Promises to be One of the Greatest Events in History of Canada Turf.

WINDSOR, Ont., June 25.—The Frontier handicap, feature event of the Windsor Jockey club meeting here July 12, promises to furnish one of the greatest contests in recent years on the Canadian turf.

Nominations already received for the Frontier, which will carry $10,000 in added money, include several from the string of Sam Hildreth, among them Mad Hatter, Grey Lag, Thunderclap and Cirrus.

The Frontier, to be run on opening day at the Jockey club, is for three year olds at a mile and a furlong.

Feature events of the Kenilworth park meeting that will follow the week of racing at the Jockey club have been announced as follows:

The Tolmie handicap on opening day, July 20, for three year olds and up at a mile and one-eighth.

The Detroit City handicap for three years old and up at 1 1-16 miles.

The Windsor City handicap, for exclusively three year olds, at 1 1-16 miles.

The Cadilac hotel handicap—for two year olds at 5 1-2 furlongs.

The National Sporting club handicap, for three year olds and up, foaled in Canada, 1 1-16 miles.

Entries for the Kenilworth meeting close June 25.

The overnight purses at the Windsor Jockey club, Kenilworth park and Devonshire park meetings will carry $1,200 or more in added money.

SANGAMOS WIN FROM BELLEVILLE

SPRINGFIELD, Ill., June 25. Three runs in the fourth inning when Zook, Sangamo centerfielder, hit for three bases enabled the Illinois Sangamos to defeat the White Rose aggregation from Belleville here this afternoon, 3 to 2. Rush, Sangamo pitcher, struck out twelve men.

Score by innings:

White Rose	1	0	0	0	0	1	0	—	2	4
Sangamos	0	0	0	3	0	0	0	—	3	5

Harriman and Nesbitt; Rush and Ford.

CHICAGO HAS SUMMER OPERA

Chicago,, June 25.—The eleventh season of summer opera opened in Chicago today with the presentation of the "Barber of Seville" at Ravinia park. Among those in the cast were Florence MacBeth, Charles Hackett, Riccardo Stracciari and Leon Rothcruggenie Papi was the conductor.

Chicago was said to be the only city in the world now enjoying summer opera.

MOLINE SELLS INFIELDER RUNSER

Bloomington, Ill., June 25.—Manager Earle Mack of the Moline Three I League club today announced the sale of Infielder Jesse Runser, to the Oklahoma City, Okla., club of the Western League.

Infielder McCue, who has been with Madison, S. D., will be recalled to fill the vacancy. Runser is generally rated the best shortstop in the Three I League.

SPARRING PARTNERS LAMBASTED BY GEORGES

Frenchman Works Under Hot Sun for Five Rounds — Shows Speed Before Light Weight.

By Associated Press.

Manhassett, N. Y., June 25.—Taking his cue from the merciless sun, Georges Carpentier waded into two of his heaviest sparring partners and lambasted them for five rounds this afternoon. The perspiration rolled off the challenger in streams. His smile was absent and he appeared to be working seriously.

The workout was private, but was witnessed by one or two who sneaked in Indian fashion thru the weeds and laid quietly under the barn.

Big Paul Journee, his broken nose and black eye hidden behind a huge mask, came out first.

Georges vaulted into the ring and was sent immediately to work. The mask appeared to give Journee courage as he waded into the challenger, swinging both arms. Georges confined himself to hitting to the body.

He hit Journee several times but there was a noticeable checking of his blows. Chris Arnold the Buffalo lightweight followed.

Mike Gibbons in his palmiest days was never more of a phantom than Georges was with Chris. Instructed by Manager Descamps to go fast and punch hard Arnold did his best. He has speed and can punch, but Carpentier's head bobbed so fast and his shift was so quick that the Buffalo lad was unable to connect.

When the sparring was over and Descamps was removing Georges' gloves he patted him on the back and told him he was the next world's champion.

This workout may have revealed the secret of what Georges will do when he meets Dempsey next Saturday. A defensive game and an attempt to keep away from Dempsey's wallops until he sees a chance to connect with his right—this in a nutshell may be the challengers battle plan.

Carpentier was on the road this morning and after he returned there was some more of the mysterious stuff behind the barn. Several pugilists of identities unannounced, were back there with George, but whether they sparred or not is a matter of conjecture.

Descamps who is a jig-saw puzzle himself, was asked to explain. He screwed up his nose, smiled enigmatically and said:

"Ah, my friend, I am what you call zee wise guy."

LONDON SEASON PROVES FAILURE

Coal Crisis Causes All Classes of People to Economize.

(By The Associated Press)

London, June 25.—All society is bemoaning the failure of the London season The week preceding the Derby should have seen social gayety approaching its height; but the widespread effects of the coal crisis have put a damper on the round of pleasures scheduled for this time of the year, and old stagers find it hard to recall any similar period when so little private entertaining was done.

No society debutantes are coming to town. Shortage of money has caused many society folk to cancel all their London engagements and to spend the summer as cheaply as possible in the country. By the king's desire, courts have been postponed and hotels and theaters are reporting slumps.

There are a number of overseas visitors in London, but not enough to go around, as one hotel manager put it, and were it not for the Americans who have come over for the polo games, those who have to live out of profits made in the season would be in despair.

Dressmakers, tailors and entertainment caterers are doing next to nothing, the reason being that the present period of industrial unrest makes it impossible to see a month ahead.

Efforts were made to make the Henley Regatta a social success. Henley is always a gay dress pageant. According to the fashion papers, the modish colors are yellow and red, with flower and fruit designs and with hats trimmed with wreaths of imitation vegetables.

The only benefit the coal strike has conferred upon London is the absence of smoke and fog. The continued clearness of the atmosphere is surprising Londoners, who are discovering views of their city the existence of which they hardly suspected.

Public health has benefitted very greatly, according to official health statistics. There has been an astonishing decrease in bronchial and pulmonary complaints. Pneumonia cases have gone down as much as 50 per cent compared with March.

Dr. John S. Owens, chief of the advisory committee to the Metropolitan Office on atmosphere pollution is the authority for saying that London's air has now reached a purity never before attained under modern conditions of life.

Sure a man can secure perfect fitting underwear at FRANK BYRNS Hat Store.

YOST APPOINTED TO NEW POSITION

Ann Arbor, Mich, June 25. — Fielding H. Yost, for twenty years football coach at the University of Michigan, was today appointed director of intercollegiate athletics. His new duties will include complete charge of all recognized intercollegiate athletics and supervision of courses of training for coaches and players.

HILL TO COACH AT NORTHWESTERN

CHICAGO, June 25.—Frank Hill, track and field mentor, has been selected as track coach for Northwestern university which has arranged for a year-round track coach, according to announcement made public today by Athletic Director Dana M. Evans. Hill, particularly well known for his work with the Great Lakes Naval Station track team, will assume his duties next fall.

Director Evans also announced the return of Elmer W. McDevitt, as head football coach with last year's staff of coaches, and trainers in other branches of athletics practically intact.

MICHIGAN LOOKS FORWARD TO 1922

Disappointed at Losing Conference Baseball Title but Making Ready for Another Fight Next Year.

ANN ARBOR, Mich., June 25. —(By A. P.)—While loss of the Western Conference baseball title was a severe disappointment to the University of Michigan team, the student body already is looking forward to another fight for first place honors in 1922.

The work of Ray Fisher, who succeeded Derrill Pratt as baseball coach, is warmly commented upon. It is pointed out among the campus baseball enthusiasts that Fisher took charge of the team late in the season and was handicapped by the loss of Vernon Parks star pitcher, rendered ineligible following charges of having played professional baseball. Despite this handicap, Fisher carried the team to within half a game of the Conference championship.

But four of the regulars will be lost to the Wolverines by graduation. They are Perrin, Karpus, Genebach and Captain VanBoven, Ruzicka and Jack Dunn, the latter a substitute outfielder, also will be unavailable next year.

The return of Dixon, Liverance and Schultz is counted upon to produce a formirable pitching staff for the Maize and Blue in 1922. Others to return are Vick and Roby, catchers; Shackleford and Johnson, first basemen; Uteritz, second base and Klein, outfield. A number of this year's freshmen players are counted upon to develop vasity merit for next year.

DECLARE OFF TOURNEY OF CENTRAL STATES

FRANKLIN MUSICAL CLUB MET SATURDAY

Interesting Program Carried Out At Home of Miss Ruth Tulpin.

Franklin, June 25.—The regular meeting of the Franklin Musical club was held Saturday afternoon at the home of Miss Ruth Tulpin. There were a number of guests present in addition to the members and the following program was carried out:

Piano selections — Mrs. Leonard Hills, accompanied by Miss Dorothea Sargent.

Vocal number, "Sing Me To Sleep"—Mrs. Fred Miller.

Duet, "Poet and Peasant" overture (Von Suppe)—Mrs. Leonard Hills and Miss Grace Armstrong.

Story of the opera "Martha"—Mrs. W. C. Calhoun.

Waltz (Bolmetch)—Miss Dorothea Sargent.

A brief business session followed the program and then the members and their guests spent a very pleasant social hour. The club will meet next, on Saturday, July 23, at the home of Miss Grace Armstrong.

PLACED FLOWERS ON VOLLRATH'S GRAVE

Jacksonville Young Woman Writes Fallen Marine's Father of Impressive Ceremonial in Beautiful Belleau Cemetery.

On Memorial Day Miss Mary Wadsworth placed a wreath of roses upon the grave of Oscar Vollrath, son of Mr. and Mrs. J. A. Vollrath of 1144 South Main street, this city. Oscar Vollrath was a member of the marines and was killed in battle, June 9, 1918, at Chateau Thierry. There with other fallen heroes he sleeps in the beautiful Belleau cemetery.

Miss Wadsworth, it will be remembered, is now assisting her uncle, Dr. Julian Wadsworth, in his work as director of the Methodist Memorial at Chateau Thierry. It was a matter of great satisfaction to Mr. and Mrs. Vollrath to know of Miss Wadsworth's act and to receive from her the statement that the cemetery is so well kept.

The letter from Miss Wadsworth to Mr. Vollrath is as follows:

2 Place des Etats Unis,
Chateau Thierry,
Aisne, France,
5 June, 1921.

My dear Mr. Vollrath:

I am enclosing three kodaks I took at Belleau Cemetery last Monday (Memorial Day). It was a most beautiful service and my greatest regret was that every mother and every father was not there.

On an improvised platform not far from the flagstaff the speakers were seated, and any war mother who was present. An U. S. army chaplain opened the service, and the two main speakers were Real Admiral McGruder, representing the Marines, and Gen. Johnson for the army.

Both their talks were so simple and sincere, and such wonderful tributes to the soldiers buried there. A French general spoke—also several other French people, representative of the district, the allied commission, etc. At the close of the service every one sang "Nearer My God to Thee." Taps were sounded, the American flag was lowered, and immediately raised with the French flag. When they reached the top, a gust of wind caught them and they floated out in the most glorious majesty.

In that quiet spot in the Marne valley, I can think of no more beautiful place for a last resting place. The cemetery is kept in wonderful condition, and the French people love to take flowers to the graves.

Half the audience on Monday were French peasants from the surrounding villages who came with their arms full of flowers, and the most touching part, to me, was their love for the Americans.

Many of the bodies are being taken up now to be sent back to the States, but we feel it is a mistake for no spot is more beautiful, and these American cemeteries are a bond holding our nation close in the hearts of the French.

Your son's grave is close to the flag pole, (marking the center), and it was a great privilege for me to place the roses there last Monday.

As I left the cemetery I picked one of the red poppies, that grow in such profusion, and I am sending it to you, as a tender memory of the day that both France and America paid homage to your son and his comrades.

Very truly yours,

Mary J. Wadsworth.

Mr. and Mrs. Homer Harrison of Winchester were in the city yesterday visiting their daughter, Sara Ellen, who is seriously ill at Passavant hospital.

CHAMBER OF COMMERCE LEASES QUARTERS

The Jacksonville Chamber of Commerce has leased the second and third floors of the Myers building on the northwest corner of the square for use as organization headquarters. Monday morning painters and paper hangers start the work of redecorating the rooms. As soon as this is completed, the offices of the organization will be removed there from the Cloverleaf building where they have been quartered temporarily.

The Chamber of Commerce has sub-leased the third floor of the Myers building to the American Legion, retaining the privilege of using it twice a month for forum meetings when large audiences will be present.

The upper floors of the Myers building were formerly used as a lodge home by the Elks.

HUNTERS' LICENSES NOT YET RECEIVED

State Game Warden Writes County Clerk About Reasons for Delay.

There have been numerous applications at the office of County Clerk G. L. Riggs for hunters' licenses. It has not been possible to honor these requests because there has been delay in the receipt of the 1921 permits. The license year dates from July 1, but this year's delay makes it impossible to issue the cards with which sportsmen must be equipped.

The facts about the delay are set forth in a letter from Ralph F. Bradford, chief fish and game warden, to County Clerk Riggs as follows:

"The printing of the hunting and trapping license could not be done until it was determined whether or not the Game and Fish Code was to be amended as the several bills befor the General Assembly provided.

"The hunting and traping license will be printed and placed in your hands as quickly as the work can be done.

"Clerks are instructed not to issue so-called Permits to hunt and Officers and Employes of the Division are instructed not to honor any such provisions."

HAS BEEN FIFTY YEARS AN ODD FELLOW

A. C. Clark a Former resident Will be Honored by Urania Lodge

A. C. Clark of East St. Louis came to Jacksonville yesterday and is a guest at the home of his sister-in-law, Mrs. J. W. York, on West Lafayette avenue. Mr. Clark comes to Jacksonville at this time to attend a meeting of Urania lodge No. 243, I. O. O. F., Monday, when he will be presented with an I. O. O. F. jewel. This emblem signifies that Mr. Clark has been an Odd Fellow for fifty years. In fact, the anniversary was March 23, as it was at that time in 1871 that he became a member of Urania.

Mr. Clark was for many years a resident of this city and now ranks as one of the oldest railway ex-passenger conductors in the state. For a number of years he was conductor on the famous Red express that ran over the old J. S. E. line between Chicago and St. Louis. The veteran conductor has been retired for a number of years on account of failing health.

No chance for you to lose a cent, but if your application is accepted you can earn big money at once. Experience unnecessary. Write now and get first chance in your locality. Riverside Tire Stores, 303 East Michigan Ave., Lansing, Michigan.

"For the Land's Sake!"

"You don't mean to tell me you wore that last hair-net three whole weeks!"

"Yes, my dear, and this one I have on is going to wear longer still."

"Well, where on earth do you get them?"

"Wey, over at Coover's Drug Store on the east side of the square, next to Rabjohns' & Reid's. But be sure you ask for 'double strand.' You can get all colors, too."

"I should think they would show a lot."

"Well, they do a bit more, but good nite, what's that when they last for a month."

"And you say they're only 20c or 3 for 50c!"

"Yes, and don't forget the store—Coover's."

"Well, thanks. I'll sure try one. Good-bye."

JACKSONVILLE, ILLINOIS — SECTION TWO — SUNDAY MORNING, JUNE 26, 1921

FOURTH OF JULY PLANS COMPLETE AT INSTITUTION

Management Announces Order of Celebration—Rev. M. L. Pontius Will Speak and Jacksonville Band Will Play.

The complete program for the Fourth of July celebration at the Jacksonville State hospital was announced Saturday by the management. The festivities at the institution will begin at 9 o'clock in the morning and continue until the same hour at night.

Fourth of July at the hospital is always a big affair. One thousand dollars has been spent in preparation this year, the money having been raised by patient entertainments.

The Jacksonville band will furnish music all day and in the evening. There will be contests, vaudeville entertainments, a parade, minstrel show and fireworks.

Following is the program of the Fourth of July at the Jacksonville State hospital:

9 a. m. Assembly of patients on the lawn.

9:30 to 11:30 a. m. Dancing. (Music furnished by Jacksonville State Hospital orchestra. Director C. V. Richardson.)

9:30 to 11:30 a. m. Field Day exercises:

50 yard dash (female patients.)
100 yard dash (male patients.)
Sack race (female patients.)
Tumble-saw race (male patients.)
Forward and backward race (female patients.)
Standing broad jump (male patients.)
Peanut race (female patients.)
Barrel race (male patients.)
Potato race (female patients.)
Tug of war, soldiers and farmers (male patients.)
Tug of war, Annex and Main (female patients.)
50 yard dash (female employes.)
100 yard dash (male employes.)
One legged race (female patients.)
Wheel-barrow race (male patients.)

10 a. m. Ball game (Soldiers and Tailor Shop men.)

12 a. m. Dinner.

1 p. m. Contests on platform.

Cracker eating contest (male patients.)

Doughnut eating contest (female patients.)

Pie eating contests (both male and female patients.)

Water melon contests (male patients.)

Flour contest (male patients.)

Sawing contests (female patients.)

Nail driving contests (female patients.)

2 p. m. Comic parade.

This parade if followed would take you through the side shows where you will see the "Fat Lady," "Largest Snake in the World," "Smallest Midget in the World," "The Tallest Man in Existence," "A Trip Through the Old Plantation," "The House Upside Down," "The Home Laundry." You can also stop and have your fortune told. The "Monkey Band" will head this procesison and will play all the popular pieces. DON'T MISS THIS TRIP.

Booths.

Knock the babies down.
Three shots at the Darkie.
Ring the duck.

2:45 p. m. Address by Rev. M. L. Pontius.

3:00 p. m. Minstrel and six acts of vaudeville. (Under direction of Miss Self.)

1. Overture by orchestra.

Minstrel First Part.

Opening chorus—"Tropical Blues."
"Gentlemen be seated."
Gag—Powell and interlocutor.
Song, "Ghost of Mr. Jazz"—Dayton Powell.
Gag—Thomas Hough and interlocutor.
Song, "Scandal of Little Lizzie Ford"—Thomas Hough.
Gag—Powell and interlocutor.
Song—Edgar Dresselman.
Gag—Thomas Hough and interlocutor.
Chorus—"Ohio."
Buck and wing dancing—Charles McGinnis.
Trip—"Dreamy Hawaii."
Closing chorus—"Venezula."
Overture by orchestra.

Vaudeville.

"The Irish Jubilee"—James Allen.
"Love Boat"—By chorus
Dayton Powell on "Tight Wire."
Dresselman and Hough—"A few jokes, singing."
"Garden of My Heart"—Dresselman.
"Umh-Hum"—Hough.
"I'm Nobody's Baby"—Dorothy Roberts.
Edgar Dresselman asisted by Dorothy Roberts, Vera Monroe, Marie Weintraub, Eva Hayden.
Pantomine—"Star Spangle Banner."

Circle.

Interlocutor—Edgar Dresselman.
End men—Powell and Hough.
Charles McGinnis, Joseph Horkey, Thomas Ramsey, Nelson Munch, Elmer Martin, Ralph Hedenberg, Benjamin Turnbull, Edward Brown.
Songs and orchestrations furnished by the publishers.
"You can have my seat in this orchestra." (I don't want it no more.)
Lyrics and music by Thomas J. Hough. Sung by the composer.

5:30 p. m. Picnic supper on the lawn.

Menu

Roast beef, sandwiches, peach pie, oranges, Peanuts, pop-corn, ice cream bananas, chewing-gum, cigars, lemonade.

6:30. Community sing.
7:00. Minstrel show repeated.
8:30. Fire works.

Music furnished for the day by the Jacksonville city band.

New Home Sanitarium

Incorporated

A Private Surgical Hospital
Thru its Public Health Department Says:—

About Operations

We have been questioned by several as to the advisability of being operated upon during summer hot weather.

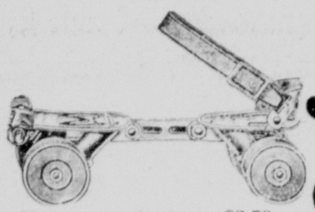

I can say in reply that under suitable conditions there is no reason why you should fear hot weather for that operation. At the New Home Sanitarium, "THE SURGICAL INSTITUTION," every pleasant and safe condition for your comfort and recovery is provided.

The large porches, electric fan in every room, perfect ventilation and home like surroundings make you forget the hot weather.

In fact, because the rush is not as great we would advise your selecting the summer.

A. H. KENNIEBREW. M. D.
Surgeon in Charge.

COULD SHOUT FOR JOY, SHE STATES

"There Isn't a Happier Woman on Earth Than I Am," Says Mrs. Mills—Gains 20 Pounds.

"I just know there is not a happier person in the world than I am since Tanlac relieved me of that awful case of rheumatism that made my life miserable for fifteen years; why, I just feel like shouting for joy," was the enthusiastic statement made by Mrs. Nettie Mills, of 203 S. Chambers St., Galesburg, Ill.

"I have actually gained twenty pounds in weight, my friends and neighbors are astonished and I just want to stop and tell everybody I meet what a wonderful medicine Tanlac is. I didn't expect to ever get well, for I was almost a cripple. For weeks at a time I was propped up in a chair and at times would cry out from the agony. Even now I shudder to think of the awful misery I was in.

"I also had stomach trouble so bad that even bread and milk hurt me, and I became so short of breath I would almost faint. I fell off in weight until it alramed me. I didn't have any color in my face and was so despondent I was almost out of heart.

"Tanlac was a godsend to me and I will praise it the longest day I live. It just seems almost too good to be true that I am at last free from all my suffering. I haven't an ache or a pain, eat just whatever I please and seem to have unusual strength and energy. I am so happy I feel like going from house to house and telling everybody about Tanlac."

Tanlac is sold in Jacksonville by Coover's Drug Store and other leadoing drug stores.—Adv.

AUTO RADIATORS REPAIRED WHILE YOU WAIT

We have installed the International Radiator Coring machine and are now prepared to place a complete new core in your old leaky radiator while you wait.

The International Core has a larger water circulation which keeps your engine from over heating.

We also repair all makes of radiators and our work is guaranteed and the price right.

BRADY BROS. HARDWARE COMPANY

William Faugust and Mr. Blair of the Alexander Lumber Co., Champaign, Ill., visited the Faugust family Friday. They drove thru in their Packard car and reported roads in fair condition.

Over 40 Years in Business. Our Record is Your Surety of Service and Satisfaction.

Y. M. C. A. NEWS.

Illinois has the honor of leading the country in Hi-Y club organization. There are 102 Hi-Y clubs in the state, with a membership of 2,577, with 1,859 high school boys in Bible study groups. During the past year, thru the influence of the Hi-Y work there have been 271 decisions for the Christian life, and 150 boys have united with the church. This is only a beginning in this important work for there are 59,123 boy enrolled in 738 high schools in the state.

Plans are being perfected covering arrangements for the State Older Boys' Conference, which meets at Decatur during Thanksgiving week. Many associations are already asking for quotas and the outlook is good for a complete registration by November 12th.

Annual meetings have been the order of the day during the past month. Reports which will be available in the next issue of this news letter will be most interesting and encouraging to Association friends. Very few associations have been compelled to close the year's work with a deficit, and practically all of the associations are without debt on Association property. The membership has probably made the largest advance in any single year in the history of the Illinois Statet work, and decisions for the Christian life and other evidences of religious work have far exceeded expectations.

While everyone recognizes that business conditions do not warrant the raising of building funds at the present time, yet it is interesting to note the active interest at Paris, Benton, West Frankfort and in several cities in the state where business men are working with representatives of the state association in the cultivation of the field, preliminary to the campaign for funds and the organization of the work. At Paris a group of business men are earnestly co-operating with Mr. Mayer, the Central District Secretary, in these preliminary steps.

The Aurora Association has just completed a special canvass for the support of the general agencies of the Association, including the International Home and Foreign Work, the State Association, and the Association college. $5,000.00 was secured for this purpose. The State Association benefits to the extent of $2,000.00 for which it extends most hearty thanks.

YANKS and LEGIONAIRES

Forceful Facts Concerning the Interests of Former Soldiers, Marines and Sailors.

Field Marshal von Hindenburg has become the popular hero of Germany.

Belgium has been the scene of more important battles than any other country in the world.

On May 10, the strength of the regular army of the United States was 245,412 officers and men.

The former German passenger liner "Kaiser Wilhelm II" has been renamed "President Harding."

The cost of returning the bodies of American soldiers to this country from France is approximately $500 each.

One hundred and twenty-seven British soldiers have been killed and 286 wounded in the "war in Ireland" since January 1, 1921.

Among the last persons to lay a wreath on the Unknown Soldier at the Arc de Triumph in Paris, was the Maharajah of Kapurthala, of India.

The Ancient and Honorable Artillery Company, the oldest military company in the country recently observed its 283d anniversary in Boston.

As a mark of honor, every group of departing American war dead from France is saluted with 19 guns on leaving that country for the United States.

Of the 4800 men called to register under the Selective Service Act in Division No. No. 12, Philadelphia, only 10 are listed as "slackers" by the war department.

The United States holds $500,000,000 worth of German property confiscated during the World War, and 600,000 tons of shipping valued at $200,000,000.

France's naval expenditures for 1921 amounted to nearly 1,048,000,000 francs, which, owing to the depreciation, represents only 300,000,000 francs in pre-war money.

Three hundred ex-service men in New York City recently received diplomas as graduates of the Knights of Columbus vocational schools of embalming and general undertaking.

Because the American youths were taught to shave themselves while in the service, during the world war, it is estimated that the barber business has decreased 40 per cent.

New York with 67,243 members, leads the country in the largest American Legion State in the union, Illinois is second with 52,732 members and Pennsylvania third, with 51,502.

President and Mrs. Warren G. Harding recently gave a garden party on the lawn of the White House grounds to 2000 wounded soldiers from the hospitals near the capital. There were "eats" in abundance for the world war heroes.

French war experts have developed a sky rocket, which is sent into the air with a time fuse calculated to bring it as close to the invading air squadron as possible before it explodes. The rocket then releases liquid fire and poisonous gases.

The Sam Browne belt, which was worn by American officers on duty overseas during the world war, is expected to be adopted in the regulation equipment to be worn in the United States soon after Gen. Pershing assumes the post of Chief of Staff on July 1.

The cornerstone was laid recently in Bordeaux, France, for the Florence Nightingale School for Nurses, which is to be a memorial to 284 American nurses who died during the world war. The school is to be built with 800,000 francs raised by nurses in the United States.

The minister of war in France has ordered the demobilization from the class of 1919, now with the colors, of all soldiers who previously have served in foreign operations, those who had a father or two brothers killed in the war, and all those having a brother in the army.

The first American soldiers killed in battle during the world war met their fate November 3, 1917. They were Corporal James B. Gresjam, Evansville, Indiana; Private Thomas F. Enright, Pittsburgh, Pa., and Private Lerle D. Hay, Glidden, Ia., all of Company F, 46th Infantry, First Division.

The world's largest hangar, 803 feet long, 264 feet wide and 195 feet high, which will house the two great United States navy dirigibles, the Z R-1 and the Z R-2, is near completion at Lakehurst, N. J. The Z R-1 is under construction at the League Island navy yard, Philadelphia and the Z R-2 in England.

Herman Dierkes of Cincinnati, O., was recently sentenced to five years in the Federal penitentiary in Atlanta. Dierkes, accused under the espionage act, was alleged to have said, referring to an American soldier: "The poor, slob, I would rather serve a term in the penitentiary than wear a uniform in Wilson's Wall street war."

Soldiers, sailors, nurses, telephone operators, chauffeurs, clerks, physicans, chemists or administrators of hospitals, who served with the French army, or were detailed to civilian duty with the French forces for six months or more during the world war, are entitled to French commemorative medals. This war medal corresponds to the American Victory Medal.

Mrs. Emma C. Bergdoll, mother of Grover Bergdoll the draft dodger now in Germany, recently paid a fine of $7,000 imposed by the federal district court for her part in aiding her notorious son to evade the draft, and saved herself from one year in the Atlanta Federal prison. Fines of her co-defendants in the case were also paid, aggregating $16,800.

Pisgah Presbyterian Church.—Sunday school at 2:30 p. m. At 3:30 o'clock church services will be held. Dr. Thomas W. Smith will preach.

GOING WEST

Mrs. C. E. Henderson, Charlotta and Everlee of Lexington, Ky., motored into the city Friday evening on their way to the west. They set out for Hannibal yesterday morning.

Mrs. John Seymour was a city representative of Franklin yesterday.

Ambitious young school girls are frequently held back in their studies on acccunt of imperfect eyesight.

Not infrequently this condition is not at all realized and lack of progress is unfairly attributed to other reasons.

Be on the safe side and have the eyes of the children carefully examined by a trained optometrist. We are qualified in this respect by training and experience.

HAND CRUSHED BY MACHINERY

Jeremiah Trahey of 537 South Hardin avenue, was painfully injured at the Citizens' Ice plant Saturday morning when his hand was crushed by machinery. He was oiling the fly-wheel and in some manner his left hand became engaged in the machinery resulting in the crushing of his fingers. The injured man was taken to a surgeon's office and given the necessary attention. He was later removed to his home.

EASY FISH CATCHING

Frank Wiggenjost who lives with his daughter, Mrs. Stubblefield and family east of the city, has the best fish story yet. Along the banks of the creek there is a small branch which they wished to keep from enlarging and to that end placed two buckets loaded with stone in the place and later Mr. Stubblefield's son found a fish in each one. Then they got a bag and made some sort of a net out of it and caught quite a lot of swimmers, enough to make several meals.

RETURN TO CHICAGO

Mr. and Mrs. Frank R. Elliott and son Osborne have returned to their home in Chicago after a visit of two weeks at the home of Mr. and Mrs. Frank Elliott on West State street.

LEAVE FOR MICHIGAN

Miss Mary I. Rhoads, accompanied by Miss Alice Devlin, left yesterday for Bay View, Mich., where they will spend the summer months.

Eli Rogers of Murrayville called on city friends yesterday.

WILL ATTEND WEDDING OF FORMER RESIDENT

Mrs. Mary Graubner and son Edward, Mr. and Mrs. Fred Yording, Miss Mary Quigley and Misses Anna and Mary McHatton will leave today for Quincy where they will attend the wedding of Miss Dorothy Taylor, formerly of this city, to Alfred William Balzer of Quincy. The wedding will be solemnized Tuesday morning at St. Peters' church. Edward Graubner is to be one of the groomsmen. Miss Taylor is the daughter of Mr. and Mrs. Charles Taylor, formerly of this city, and has many friends here who will wish her great happiness.

Facts to Be Considered
Purchase Profitable Equipment

Mechanical power has supplanted man and beast in all branches of work.

The farm tractor perfected after years of study and experiments, is allowing the farmer to do his work quicker, better and at a less cost. It allows him to plow when best results can be obtained. The weather never gets too hot nor the ground too hard.

The horse has proven to be so expensive for a general proposition and in many places, that it is up to you to study carefully your requirements and replace this costly animal with the up-to-date machine.

In figuring on equipment, be sure and look into the

100% Farm Motor Power

A single unit power plant for all purposes. Plowing, hauling, cultivating and belt work at the one cost for the entire machine.

The To-Ro Motor

Remember the tractor costs nothing when not at work; also that the horse is a constant expense whether at work or play.

Call in and allow us to help you make a profitable investment. It is our desire to see that you have a most satisfactory equipment to operate your farm the most profitably.

PAIGE
The Most Beautiful Car in America

How Much Should You Pay For a Fine Car?

So far as prices are concerned, the Paige 6-66 is quite obviously the greatest dollar-for-dollar value on the American market. It is not only *legitimately* priced, but it is actually selling for from one to three thousand dollars less than its nearest competitors.

We respect this competition but as business men must insist that the discrepancy is altogether unjustified. Unless 6-66 prices are vastly increased, the higher priced cars must ultimately reduce. This appears to be the only fair and sensible conclusion.

At any rate, please consider this one fact: You can today buy a Paige car with a sense of absolute security because you are buying on the new readjustment level. There can be no sudden depreciation of your investment—no "price cuts" to meet competitive standards.

Paige is at rock bottom in price and peak position in quality. For that reason it is a safe, sane and profitable investment.

BOY DIES FROM GUNSHOT WOUNDS

Stephen A. Willis of Near Hillview Passes Away at Passavant Hospital Saturday—Jury Recommends That Jesse Dale Be Held for Death.

Stephen Arthur Willis, thirteen year old boy who was brought to Jacksonville last Thursday night to be treated for a gunshot wound in the right hip, died Saturday noon at Passavant hospital.

The remains were removed to the Reynolds mortuary where Coroner Charles A. Rose held an inquest Saturday afternoon, with the following men as jurors: W. G. Duckwall, Leo Coony, Fred Eyre, Edgar Vieria, C. A. Nelson and Lee Stainsforth. C. A. Nelson was foreman.

After hearing evidence from G. A. Willis, father of the boy, and from Ward Schultz, the jury gave the verdict that death was caused by a gunshot wound in the right thigh, the wound being inflicted by a shot gun held in the hands of Jesse Dale. The jury recommended that Jesse Dale be held responsible for the death of the boy.

It appears that John Dale and Ward Schulz, two Greene county farm hands, became engaged in a dispute at the supper table Thursday night over payment for a washing machine which Dale had bought of Schulz. In the fight which ensued, Jesse Dale, a brother of John Dale loaded a shot gun and aimed it at Schulz. In the scuffle the gun accidentally went off, the shot entering Arthur Willis' thigh. The injured youth was taken to Hillview, where he was given medical attention, and from there was removed to Jacksonville where infection developed, and death was caused by malignant odema.

NOTICE TO WATER CONSUMERS

Water will be shut off on South Sandy street from the square to College Ave.; on College Avenue from South Main to Diamond St. and on South West St. from College Ave. to Anna St. from 1 to 5 P. M. Monday.

FORMER STUDENT OF I. W. C. MARRIED

Ceremony Was Said By Dr Joseph R. Harker at the Methodist Church in Modesto.

Dr. Joseph R. Harker went to Modesto Saturday morning to perform the marriage ceremony of Mrs. Josephine Jumper Stewart and John H. McCurley. The vows were said at high noon Saturday at the Methodist church in Modesto. Mrs. McCurley is a graduate of Illinois Woman's college with the class of '72 and after her marriage to Mt. Stewart, made her home in Hornick, Ia. for a number of years, but after her husband's death, took up her residence at San Jose, Ill., where she lived until very recently. Mrs. McCurley was a member of Belles Lettres Society while at I. W. C., and she has a number of friends in Jacksonville.

The couple were attended by Mr. and Mrs. Edward Turner of Modesto and little Catherine McCurley, five year old daughter of Homer McCurley, sister of the groom, of Lowder, Ill., made a charming flower girl.

Mr. and Mrs. McCurley will make their home in Modesto.

Physician Explains Who Should Take Nuxated Iron

Practical Advice on How To Help Build Up Great Strength, Energy and Endurance

"Lack of iron in the blood not only makes a man a physical and mental weakling, nervous, irritable, easily fatigued, but it utterly robs him of that virile force, that stamina and strength of will which are so necessary to success and power in every walk of life," says Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital. "It may also transform a beautiful, sweet tempered woman into one who is cross, nervous and irritable. I have strongly emphasized the great necessity of physicians making blood examinations of their weak, anaemic, run down patients. Thousands of persons go on year after year suffering from physical weakness and a highly nervous condition due to lack of sufficient iron in their red blood corpuscles without ever realizing the real cause of their trouble. Without iron in your blood your food merely passes through the body something like corn through an old mill with rollers so wide apart that the mill can't grind.

"For want of iron you may be an old man at thirty, dull of intellect, poor in memory, nervous, irritable, and all 'run down,' while at 50 or 60 with plenty of iron in your blood you may still be young in feeling, full of life, your whole being brimming over with vim and energy.

But be sure the iron you take is organic iron—Nuxated Iron—and not metallic iron which people usually take. Organic iron—Nuxated Iron—is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on small pieces of iron filings and is therefore an entirely different thing from Nuxated Iron. Nuxated Iron represents organic iron in such a highly concentrated form that one dose is estimated to be approximately equivalent (in organic iron content) to eating one-half quart of spinach or one quart of green vegetables or half a dozen baked apples. It is like taking extracts of beef instead of eating pounds of meat.

Over 4,000,000 people annually are using Nuxated Iron. It quickly helps make rich red blood, revitalize wornout exhausted nerves and give increased strength and energy. Your money will be refunded by the manufacturers if it does not produce satisfactory results.

For sale by all druggists.

Miller, Division of Purchases and Supplies. H. H. Kohr, Superintendent. Apr. 24-26-May-5.

Daily Market Report

ERRATIC SESSION OF BOARD OF TRADE

CHICAGO, June 24. — Mixed sentiment as to the future and scant speculative trade made an erratic, sluggish market on the Chicago board of trade today. The finish was ½c lower to 1c to 2c net higher for wheat ½ to ⅝c higher for corn, unchanged to ⅝c higher for oats and from 5c lower to 5c higher for provisions.

Wheat began at an advance of ¼ to ⅜c on buying induced by pessimistic crop reports from South Dakota and word that the dry area was spreading into North Dakota and southern Minnesota. The forecast for continued dry and warm weather helped this movement. The buying was not extensive, however, and when it died out the market dropped. Some local exports continued to emphasize crop prospects but others argued that world business conditions will prevent any definite upturn. Between these diverse opinions the market became a football but in the closing periods the usual week end trading brought a rally. Export demand continued slow.

Continued liberal receipts, coupled with slow eastern trade made corn easy and trade light. The only decided rally came near the end when wheat turned.

Oats were more independent, advancing on bullish crop reports and improved cash demand some 400,000 bushels being sold for lake and rail account. Foreign buying of lard firmed provisions at the start but they eased off later with the hog market.

E. ST. LOUIS LIVESTOCK

By Associated Press.

East St. Louis, June 25.—U. S. Bureau of Markets.—Cattle—Receipts, 300; compared with week ago: Native steers, light yearlings and bulls steady to 25c lower; Texas steers 25c to 50c lower; cows steady; stockers and canners 25c lower; veal calves, 50c to $1.00 lower.

Hogs—Receipts, 2,000; market slow; about steady; butchers strong to 10c higher; lights and light weights 10c lower; top, $8.80; bulk lights and medium weights, $8.60@8.75; no heavies here; packer sows steady; few pigs going unsold.

Sheep—Receipts, none; practically no market; about 400 best holdover lambs sold at $9.00 with culls out at $4.50; over one thousand unsold; market compared with week ago about steady.

Kansas City, Mo., June 25. — Cattle—Receipts, 125; for the week: Beef steers steady to 25c lower; she stock weak to 25c lower; canners and bulls steady; calves mostly 5c to 75c higher; stockers and feeders 25@75c lower; stock calves and stock cows and heifers steady.

Hogs—Receipts, 800; steady to strong with yesterday's average; lights and medium, $8.50@8.55; no heavies on sale; bulk of sales, $8.40@8.55. Top, $8.55.

CHICAGO LIVESTOCK

(By The Associated Press)

Chicago, June 25.—U. S. Bureau of Markets—Cattle — Receipts, 1,000. Compared with week ago: Choice prime fed steers 10c to 25c lower; in-between grades 25c to 50c lower; common and grassy kinds, 75c to $1.00 lower; butcher she stock slow; generally steady; canners and cutters and bulls 25c to 50c lower; veal calves 60@75c higher; spot cows and heifers, 25c to 50c lower.

Hogs—Receipts, 5,000; light hogs and butchers steady to strong; others mostly 10c to 15c lower than yesterday's average; top, $8.80; bulk, $8.10@8.75; pigs nominally steady.

Sheep—Receipts, 6,000; today's receipts direct to packers; compared with week ago: Lights mostly steady; some natives lower; low grades and heavy sheep around steady; fat handy-weights mostly 50c higher.

Henry W. Zeppenfield was up from Carlinville yesterday visiting relatives and friends.

PRICES ADVANCE ON STOCK EXCHANGE

NEW YORK, June 25.—Unlike previous sessions this week, today's abbreviated but active trading in the stock market showed a broad and sharp upward swing of prices.

Gains of 1 to 5 points were scattered thruout the list. Oils, rails, shippings, steels, equipments and miscellaneous issues were impartially favored.

Conspicuous strength was shown by Mexican Petroleum, General Asphalt, Baldwin Locomotive, United Fruit, Atlantic Gulf, American Woolen, American Sugar, Sumatra Tobacco, and Sears-Roebuck, Reading and Southern Pacific.

United States Steel added almost two points to its recovery from the low record of Thursday. Sales amounted to 135,000 shares.

Current news offered little explanation for the markets' reversal for most advices concerning trade and commerce again stressed conflicting conditions and the cautious attitude of buyers.

Trading in bonds was moderate and irregular, both in domestic and international issues. Total sales (par value) aggregated $4,950,000.

The clearing house weekly statement furnished no noteworthy features. Actual loans and discounts showed a relatively small decrease, considering the recent heavy liquidation. A cash contract of about $20,500,000 still left a liberal margin of excess reserves.

CASH GRAIN REPORT

By Associated Press.

CHICAGO, June 25. — Cash grain markets were on the whole brighter in Chicago today. Oats led the way with shipping sales of 400,000 bushels. In wheat hard winters were ½@1c higher compared with July and there was one sale of 5,000 bushels of No. 3 Northern at 8½c over July. The corn basis was unchanged.

Chicago carlot receipts were: Wheat, 22; corn, 44; oats, 98; rye, 5; barley, 9.

WHITE HALL BOY IS PAINIFULLY INJURED

Malcolm Horny Loses Finger As Result of Accident Wednesday —Other White Hall News Notes.

White Hall, June 23—Malcolm Horney, age 10 years, son of Mrs. Dora Horney, residing on King street, had the middle finger of the left hand caught in a riding plow Wednesday while playing about the machine at the farm of Clarence Lorton, east of town. Amputation at the joint was found necessary, and the operation was performed by Dr. W. H. Garrison.

Mayor W. H. Ryan is here from Enid, Okla., to spend a couple of days at the home of his sister, Mrs. Mattie Moody. He says the honor so overwhelmingly thrust upon him at the recent election carries a salary of $2,400 per year This enables him to devote time to the office. The city is under the commission form of government.

The Ed A. Evans shows, which reached here a week late under difficulties, are doing a good business on the Wood grounds, and there has not been any move made so far to leave at the close of the week. The grounds have been engaged by a tent show next week, and there may be some interesting developments in tent circles in the next few days. An injunction to restrain the operation of the carnival aggregation in the neighborhood of the south end of Jacksonville street has been proposed, and if it can only be made permanent and put an end to such carnivals, glory be to the court.

Mr. and Mrs. R. F. Barnett are completing a vacation sojourn in Indiana.

Miss McGlasson, a teacher in School for the Blind at Jacksonville, is a guest at the home of David Lemon.

Miss Bessie Young, accompanied by Miss Henrietta Kirback of Carrollton, is spending the week in Springfield.

FRANK BURGESS HERE

Frank Burgess, internal revenue officer, of Champaign, is in the city spending the week end with Dr. A. R. Gregory at his home on South Main street. Mr. Burgess formerly lived in Jacksonville and has many friends here. He has been at Springfield playing in the golf tournament and stopped here before returning to Champaign.

Fireworks

The day the small boy longs for soon will be here—

July 4th

We are prepared to furnish him with all the popular noise-makers. Come in and see what we have to offer.

WHITE HALL TO HAVE NEW FILLING STATION

Work Commenced on the New Gasoline Filling Station of Community Gas Co.—Equipment Will be of Most Modern Type.

White Hall, June 24.—Work on the new gasoline filling station, which is to be erected by the Community Gas Co., Inc., at the corner of Main and Bridgeport streets, has been started, and the building will be completed in the shortest possible time to allow for a first class construction job of its kind. The dwelling house on the site was moved a block west last week, and will be made into a modern home by R. T. Clark for the occupancy of L. O. Sullivan. This moves the last structure from Main street, erected more than seventy years ago, about the time of the founding of the town. It was the original home of the late Judge L. E. Worcester, then a director of the Chicago & Alton railroad, and then the home of the late Dr. J. F. Potts. It was in this dwelling that Judge Worcesters's three children, H. C. Worcester, R. S. Worcester and Mrs. M. J. Gauhly, were born.

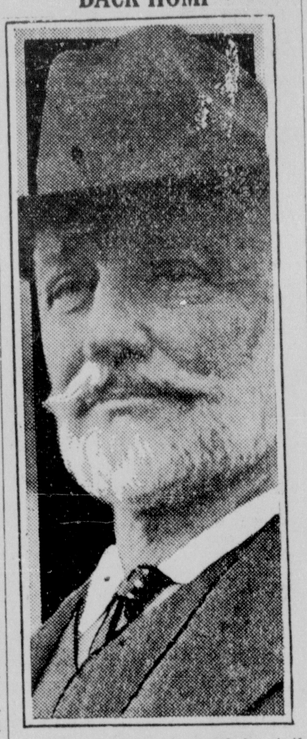

The new filling station that is to adorn the site will be erected by the use of the Donaldson system of reinforced concrete construction without forms, and will be a monolithic, fire-proof structure thruout, the only wood used being the door and window trims. The construction represents the very best in engineering design, and eliminates all upkeep and maintenance expense, as well as being of sanitary construction. The hollowwalls reprersent the dryest and warmest type of structure that can be erected. The exterior will be treated in mission style of architecture, finished with a beautiful dry-rock dash stucco.

The building will be supplied with all of the latest equipment necesssary to properly carry on the business of a modern filling station. Prominent among the features will be the ladies' rest room, with direct outside entrance, and having toilet room in connection; the installation of a two-stage Gardner air compressor, enabling the patrons to have free air service. There will also be installed a modern, sanitary plumbing and lighting system thruout. The visible measuring gasoline pumps will be supplied with gasoline from two large tanks buried on the premises, these tanks being filled by pipe line extending from the street curb.

The grounds will be fitted up complete with grass plots, flower beds and shrubbery, which will also add greatly to general appearancees. It is the intention of the company to carry a complete line of the very best, high-test navy specification gasoline, and also the best line of oils and greases that the market affords. The station will be operated by courteous employes, who will give teh patrons prompt and efficient service at all times. This improvement will give White Hall a modern gasoline filling station in every particular, and one that the city may well feel proud of.

GIVES STATISTICS ON ILLINOIS SCHOOLS

Springfield, June 25.—(By A. P.)— There are 11,870 school districts with a total of 13,955 school buildings in state, housing 1,436,870 pupils, according to a report by the tate Department Health The average cost for educational purposes is $63.16 per pupil, according to this report.

There are 1,704 specal tachers in the state, 328 teaching music, 198 drawing, 322 domestic csience, 297 manual training, 162 physical training, 262 commercial training, and 109 teaching agriculture.

In the promotion of health, according to the report, 156 districts employ 351 public school nurses and 151 phyisicians. These officers in 1920 examined 193,195 all children, or 13.4 pedcent of al children attending the schools of the state, and found 69,437 of them, or 35.9 perecent of those examined affected.

AUTO CATCHES AFIRE SATURDAY

Saturday afternoon the fire department responded to an alarm from the garage of James B. Green, 214 North Main street Saturday afternoon about 3 o'clock.

Mr. Green was working on an automobile with an electric drill and it is believed that the grease caught fire from a spark from the drill. Mr. Green received a burn on one of his hands but the damage to the automobile was slight.

Men from the Faugust tin and furnace shop across the alley from the garage formed a bucket brigade and extinguished the blaze before the arrival of the department. The fire alarm was sounded after the firemen with the truck had nearly reached the department on their return from the fire.
